Effective for the Fiscal Year-period ending June 30, 2019, the Commission is reporting traffic volume for both revenue and non-revenue transactions.Prior to this Fiscal Year period, the Commission only reported traffic volume classified as revenue transactions in its systems. As a result, this Table restates previously reported traffic volumes to reflect this change in reporting methodology. For purposes hereof, a revenue transaction is one that produces toll revenues and a non-revenue transaction may result in toll revenue.
