*Effective for the June 1, 2018 - May 31, 2019 fiscal year, the Commission is reporting traffic volume for both revenue and non-revenue transactions. Prior to this Fiscal Year, the Commission only reported traffic volume classified as revenue transactions in its systems. As a result, the above tables restate previously reported traffic volumes to reflect this change in reporting methodology. For purposes hereof, a revenue transaction is one that produces toll revenues and a non-revenue transaction may result in toll revenue.*
