Interest on the Series 2003 Multi-Modal Bonds shall be payable in arrears on each Interest Payment Date, commencing on the first Interest Payment Date after the date of original issuance of the Bonds.

(ii) The Series 2003 Multi-Modal Bonds may operate at any time in any one Interest Rate Period, provided that all Series 2003 Multi-Modal Bonds shall operate in the same Interest Rate Period at any given time.

(iii) All Series 2003 Multi-Modal Bonds shall accrue interest in accordance with the ARCs Provisions unless and until the Interest Rate Period for the Series 2003 Multi-Modal Bonds is converted to a different Interest Rate Period pursuant to Section 2.04.

(iv) The amount of interest payable with respect to any Series 2003 Multi-Modal Bonds on any Interest Payment Date shall be computed (1) during an ARCs Rate Period, in accordance with the ARCs Provisions, (2) during a Daily Interest Period, Weekly Interest Period or Short-Term Interest Period, on the basis of a 365- or 366-day year for the number of days actually elapsed, based on the calendar year in which the Daily Interest Period, the Weekly Interest Period or Short-Term Interest Period ends, and (3) during Fixed Rate Periods and Long-Term Rate Periods, on the basis of a 360-day year of twelve 30-day months.

(c) *Determination by Remarketing Agent:*

(i) The interest rate for Daily Rate Bonds, Weekly Rate Bonds, Short-Term Rate Bonds, Long-Term Rate Bonds and Fixed Rate Bonds for each interest period shall be determined by the Remarketing Agent as the lowest rate of interest which, in the judgment of the Remarketing Agent, would cause the Bonds to have a market value as of the date of determination equal to the principal amount thereof, taking into account Prevailing Market Conditions, provided that in no event will the interest rate on any Bonds exceed the Maximum Rate.

(ii) In the event the Remarketing Agent fails for any reason to determine the interest rate for any interest period:

- (A) The interest rate then in effect for Daily Rate Bonds, Weekly Rate Bonds or Short-Term Rate Bonds will remain in effect for the next interest period and each succeeding interest period thereafter until the Trustee is notified of a new Daily Rate, Weekly Rate or Short-Term Rate, as appropriate, determined by the Remarketing Agent.
- (B) The interest rate then in effect for Long-Term Rate Bonds will be (1) converted to Short-Term Rates equal to 100% of the prime short-term rate (30 days) for the most recent date shown in the table captioned "Short-Term Tax-Exempt Yields" in the edition of *The Bond Buyer* or the dealer short-term rate (30 days) published in the most recent edition of *The Wall Street Journal*, or if *The Bond Buyer* and *The Wall Street Journal* is no longer published, any other published similar rate as is determined by the Trustee in its sole discretion to be appropriate, published on the day on which such rate is determined or, if such rate is not published on that day, the most recent publication of such rate, with Short-Term Interest Periods of 30 days, until the Trustee is notified of a new Short-Term Rate and Short-Term Interest Period determined for such Series 2003 Multi-Modal Bond by the Remarketing Agent but only if the Commission furnishes to the Trustee and the Bond Insurer a

Favorable Opinion of Bond Counsel, or (2) if the opinion described in clause (1) is not furnished, converted to a Long-Term Rate for a Long-Term Interest Period ending on the day prior to the next succeeding September 1 which is more than 366 days later equal to 100% of the Kenny Information Services one-year tax-exempt index as communicated to the Trustee by Kenny Information Services, and if such index is not provided to the Trustee, equal to 70% of the closing yield for one-year Treasury Bills shown in the table captioned "U.S. Securities Prices" in the edition of *The Bond Buyer* (or if *The Bond Buyer* or such table is no longer published, any other published similar rate as is determined by the Trustee in its sole discretion to be appropriate) published on the day on which such rate is determined, or if such rate is not published on that day, the most recent publication of such rate, until the Trustee is notified of a new Long-Term Rate and Long-Term Interest Period.

(iii) Notice of the interest rate for each Daily Rate Bond, Weekly Rate Bond, Short-Term Rate Bond, Long-Term Rate Bond and Fixed Rate Bond shall be communicated by the Remarketing Agent to the Commission, the Trustee, the Liquidity Provider and the Bond Insurer by telecopier or other electronic telecommunication, or by telephone promptly confirmed in writing, (1) in the case of Daily Rate Bonds on the date such interest rate is determined by 11:00 a.m., New York City time, and (2) in the case of Weekly Rate Bonds, Short-Term Rate Bonds, Long-Term Rate Bonds or Fixed Rate Bonds, not later than 5:00 p.m., New York City time, on the date such interest rate is determined, and shall be available to Bondowners after such time, from the Remarketing Agent at its Principal Offices and shall also be communicated by the Remarketing Agent to any Bondowner upon request.

(d) *Daily Rates.*

(i) Whenever Series 2003 Multi-Modal Bonds are to bear interest accruing at a Daily Rate, Daily Interest Periods shall commence on each Business Day and shall extend to, but not include, the next succeeding Business Day.

(ii) The interest rate for each Daily Interest Period shall be effective from and including the commencement date thereof and shall remain in effect to, but not including, the next succeeding Business Day.

(iii) Each such interest rate shall be determined by the Remarketing Agent between 8:30 a.m. and 9:30 a.m., New York City time, on the commencement date of the Daily Interest Period to which it relates.

(e) *Weekly Rates.*

(i) Whenever the Series 2003 Multi-Modal Bonds are to bear interest accruing at a Weekly Rate, Weekly Interest Periods shall commence on Wednesday of

each week and end on Tuesday of the following week; provided, however, that (A) in the case of a conversion to a Weekly Rate Period, the initial Weekly Interest Period for the Series 2003 Multi-Modal Bonds shall commence on the Conversion Date and end on the next succeeding Tuesday and (B) in the case of a conversion from a Weekly Rate to a Daily Rate, the last Weekly Interest Period prior to conversion shall end on the last day immediately preceding the Conversion Date.

(ii) The interest rate for each Weekly Interest Period shall be effective from and including the commencement date of such period and shall remain in effect through and including the last day thereof.

(iii) Each such interest rate shall be determined by the Remarketing Agent by 4:00 p.m., New York City time, on the Business Day immediately preceding the commencement date of the Weekly Interest Period to which it relates.

(f) *Short-Term Rates.* Short-Term Rates on, and Short-Term Interest Periods for, Short-Term Rate Bonds shall be determined as follows:

(i) Each Short-Term Interest Period shall be determined by the Remarketing Agent on the first Business Day of that Short-Term Interest Period as that Short-Term Interest Period which will, in the judgment of the Remarketing Agent, produce the greatest likelihood of the lowest net interest cost during the term of the Bonds; provided that each Short-Term Interest Period (A) shall be from 1 to 270 days in length but shall not exceed the number of days of interest coverage provided by the Liquidity Facility minus five days, shall not extend beyond the date that is five days before the Expiration Date of the Liquidity Facility and shall not exceed the remaining number of days prior to the Conversion Date if the Remarketing Agent has given or received notice of any conversion to a different Interest Rate Period, (B) shall commence on a Business Day (except in the case of a conversion to a Short-Term Rate Period, the initial Short-Term Interest Period shall commence on the Conversion Date), shall end on a day preceding a Business Day, and (C) in any event shall end no later than the day preceding the maturity date for the Bonds. The Remarketing Agent may, in the reasonable exercise of its judgment, determine a Short-Term Interest Period that results in a Short-Term Rate on the Bonds that is higher than would be borne by Series 2003 Multi-Modal Bonds with a shorter Short-Term Interest Period in order to increase the likelihood of achieving the lowest net interest cost during the term of the Series 2003 Multi-Modal Bonds by assuring the effectiveness of such Short-Term Rate for a longer Short-Term Interest Period. The determination of a Short-Term Interest Period by the Remarketing Agent shall be based upon the relative market yields of Series 2003 Multi-Modal Bonds and other securities that bear interest at a variable rate or at fixed rates that, in the reasonable exercise of the judgment of the Remarketing Agent are otherwise comparable to the Series 2003 Multi-Modal Bonds, or any fact or circumstance relating to the Series 2003 Multi-Modal Bonds or affecting the market for the Series 2003 Multi-Modal Bonds or affecting such other comparable securities in a manner that, in the reasonable exercise of the judgment of the Remarketing Agent, will affect the market for the Series 2003 Multi-Modal Bonds. The Remarketing Agent in its discretion, may consider such information

and resources as it deems appropriate in making the determinations described in this paragraph, including consultations with the Commission, but the Remarketing Agent's determination of the Short-Term Interest Period will be based solely upon the reasonable exercise of the Remarketing Agent's judgment.

(ii) The interest rate for each Short-Term Interest Period shall be effective from and including the commencement date of that interest period and shall remain in effect through and including the last day thereof.

(iii) All Short-Term Rate Bonds shall bear interest accruing at the same Short-Term Rate, and for the same Short-Term Interest Period.

(iv) Each such interest rate shall be determined by the Remarketing Agent by 4:00 p.m., New York City time, on the Business Day immediately preceding the commencement date of the Short-Term Interest Period to which it relates.

(g) *Long-Term Rates.* A Long-Term Rate for Long-Term Rate Bonds shall be determined for each Long-Term Interest Period as follows:

(i) Long-Term Interest Periods shall commence on a Conversion Date and subsequently on a December 1 which is at least 12 calendar months after the Conversion Date to a Long-Term Rate Period, and end on the day preceding either the commencement date of the following Long-Term Interest Period or the Conversion Date on which a different Interest Rate Period shall become effective or the maturity date for the Series 2003 Multi-Modal Bonds.

(ii) The Long-Term Rate for each Long-Term Interest Period shall be effective from and including the commencement date thereof and remain in effect to and including the last day thereof. Each such Long-Term Rate shall be determined on the Business Day immediately preceding the commencement date of such period.

(iii) Long-Term Interest Periods (other than a Long-Term Interest Period extending to the maturity date for the Series 2003 Multi-Modal Bonds) shall not extend to a date beyond the fifth day next preceding the Expiration Date of the Liquidity Facility.

(iv) The term of each Long-Term Interest Period shall be specified in writing by the Commission to the Remarketing Agent, the Trustee, the Tender Agent and the Bond Insurer at least 20 days before its commencement; provided that the term may not be more than one year if the term of the immediately preceding Long-Term Interest Period was one year, and the term shall not be one year if the term of the immediately preceding Long-Term Interest Period was more than one year, unless in each case the Commission has provided a Favorable Opinion of Bond Counsel to the Trustee, Commission and the Bond Insurer.

(h) *Fixed Rate.* The Fixed Rate, and the schedule of principal payments for Series 2003 Multi-Modal Bonds bearing interest at the Fixed Rate, shall be determined as set forth in this Subsection (h). Series 2003 Multi-Modal Bonds bearing interest at a Fixed Rate may not be

converted to any other type of Interest Rate Period pursuant to Section 2.04 and will not be covered by any Liquidity Facility.

The Fixed Rate Period shall commence on a Conversion Date and shall extend to the earlier of the date of redemption or the maturity date for the Series 2003 Multi-Modal Bonds. The Fixed Rate shall be set forth in the firm underwriting or purchase contract described in Section 2.04(c)(5).

Upon conversion, the firm of bond underwriters or recognized institutional investors who agree to underwrite or purchase the Series 2003 Multi-Modal Bonds in accordance with Section 2.04(c)(5) shall deliver to the Commission, the Trustee and the Bond Insurer a certificate that includes (a) a schedule specifying the principal amount of Bonds to be called for mandatory sinking fund redemption (or to mature in accordance with subparagraph (3) below) on December 1 of each year, commencing on the first December 1 occurring at least six months after the Fixed Rate Conversion Date, through and including the maturity date for the Series 2003 Multi-Modal Bonds, and (b) a schedule specifying the interest on the Series 2003 Multi-Modal Bonds to be paid on each Interest Payment Date, through and including the maturity date for the Series 2003 Multi-Modal Bonds. In determining the amount of interest and principal that shall be payable on such dates, such firm of bond underwriters or institutional investors shall use the following guidelines:

(i) The interest rate on each Series 2003 Multi-Modal Bond then being converted shall be the lowest interest rate that will enable such Series 2003 Multi-Modal Bond upon conversion to be remarketed at par, assuming that all Series 2003 Multi-Modal Bonds then being converted will be subject to mandatory sinking fund redemption on December 1 of each year (commencing on the first December 1 occurring at least six months after the Conversion Date) through and including the maturity date for the Series 2003 Multi-Modal Bonds, all Series 2003 Multi-Modal Bonds shall pay interest semiannually on each Interest Payment Date, all Series 2003 Multi-Modal Bonds shall bear interest at the same rate (except as otherwise provided in subparagraph (iii) below), and all Series 2003 Multi-Modal Bonds shall only be remarketed at par; and

(ii) If the prior written consent of the Bond Insurer has been obtained, the schedule of principal payments shall be set to achieve annual level debt service (including both principal and interest), as nearly as practicable taking into account the minimum Authorized Denominations of the Series 2003 Multi-Modal Bonds, for all remaining periods ending each year on December 1 (commencing on the first December 1 occurring at least six months after the Conversion Date) through and including the maturity date for Series 2003 Multi-Modal Bonds and, subject to subparagraph (iii) below, the Series 2003 Multi-Modal Bonds shall be subject to mandatory sinking fund redemption in accordance with that schedule. If the prior written consent of the Bond Insurer is not received, all Series 2003 Multi-Modal Bonds shall be subject to mandatory sinking fund redemption (or serial maturities pursuant to subparagraph (iii) below) in accordance with the applicable schedule set forth in Section 3.02(c).

(iii) The foregoing subparagraphs (i) and (ii) notwithstanding, upon provision of a Favorable Opinion of Bond Counsel, Bonds that would otherwise be scheduled to be redeemed pursuant to mandatory sinking fund redemption provisions may be scheduled to mature on the same dates and the Remarketing Agent may establish more than one Fixed Rate to apply to the Series 2003 Multi-Modal Bonds being converted to Fixed Rate Bonds, in accordance with this Section, taking into account the scheduled mandatory redemption dates or serial maturity dates to be assigned to the Series 2003 Multi-Modal Bonds.

(iv) If the designation referred to in subparagraph (i) above cannot be made or the Favorable Opinion of Bond Counsel described in subparagraph (iii) above has not been delivered to the Trustee and the Bond Insurer by the Commission, then no conversion shall be effected.

(i) *Default Rate.* While there exists a Payment Default, the interest rate on the Series 2003 Multi-Modal Bonds will be the Maximum Rate; except as otherwise provided in the ARCs Provisions for ARCs.

(j) *Liquidity Provider Bonds.* Notwithstanding the above provisions of this Section, Liquidity Provider Bonds shall bear interest at the lesser of the Liquidity Provider Rate or the Maximum Rate. The Liquidity Provider Rate shall be supplied in writing to the Trustee by the Liquidity Provider. If the Remarketing Agent has notified the Owner of any Liquidity Provider Bonds that it has located a purchaser for some or all of that Owner's Liquidity Provider Bonds, that Owner must deliver those Liquidity Provider Bonds to the Tender Agent for purchase. Upon such delivery and receipt of the Purchase Price by that Owner, the Tender Agent shall notify the Trustee that the Series 2003 Multi-Modal Bonds so purchased are no longer "Liquidity Provider Bonds" and the Trustee shall note on the registration books for the Series 2003 Multi-Modal Bonds that those Bonds are not Liquidity Provider Bonds. Notwithstanding anything herein to the contrary, only the Liquidity Provider or any Liquidity Provider Bondowner may receive interest on any Series 2003 Multi-Modal Bonds at the Liquidity Provider Rate.

Section 2.04 Conversions Between Rate Periods. The Commission may elect to convert all of the Series 2003 Multi-Modal Bonds from one type of Interest Rate Period (other than from a Fixed Rate Period) to another type of Interest Rate Period as follows:

(a) *Notices by Commission.* The Commission shall give written notice of any proposed conversion to the Trustee not fewer than seven Business Days (fourteen Business Days in the case of a proposed conversion to a Short-Term Rate Period) prior to the date the notice to affected Owners must be given pursuant to Section 2.04(b) of the proposed conversion.

(b) *Notices by Trustee.* Upon receipt of the notice specified in Section 2.04(a) from the Commission, the Trustee shall promptly give written notice of the proposed conversion to the Tender Agent, the Remarketing Agent, the Bond Insurer, the Auction Agent, the Broker-Dealer, the Liquidity Provider and any rating service that has notified the Trustee in writing that it has established a rating for the Series 2003 Multi-Modal Bonds. The Trustee shall give notice (which may be combined, where applicable, with any notice required by Section 3.08), by first

class mail of the proposed conversion to the affected Owners of Series 2003 Multi-Modal Bonds not less than 10 days before the proposed Conversion Date. Such notice shall state:

- (i) the proposed Conversion Date and the proposed Interest Rate Period to be effective on such date;

(v) If the conversion is to a Fixed Rate Period, the Commission shall notify in writing the Trustee of its irrevocable election to effect such a conversion, specifying in the notice the Conversion Date on which the Fixed Rate Period is to commence, and delivering with such notice a firm underwriting or purchase contract from a recognized firm of bond underwriters or recognized institutional investors, which can be the Remarketing Agent, to underwrite or purchase all of the Bonds at a price of 100% of the principal amount thereof at an agreed upon interest rate which such underwriter or institutional investor certifies is the lowest rate that will permit the Series 2003 Multi-Modal Bonds to be sold at par on the first day of the Fixed Rate Period and containing a mandatory sinking fund redemption schedule prepared in accordance with Section 2.03(h). Upon receipt by the Trustee of such notice from the Commission, the Trustee shall promptly cause the same information contained in such notice to be delivered to the Tender Agent, the Remarketing Agent, the Bond Insurer, the Liquidity Provider and any rating service that has notified the Trustee in writing that it has established a rating for the Series 2003 Multi-Modal Bonds; and

(vi) The conversion shall not occur unless the Conversion Date is a date on which the Series 2003 Multi-Modal Bonds being converted could be redeemed without premium pursuant to Section 3.02(a); and

(vii) If the conversion is a Short-Term Rate Period, (A) the Commission shall have obtained the prior written consent of the Bond Insurer, must engage, at its expense, a commercial paper trustee and the paying agent (the "Issuing Agent"), reasonably acceptable to the Trustee, the Bond Insurer and the Paying Agent, having access to the Securities Depository's electronic money market issuing and payment system and otherwise eligible to serve as an issuing and paying agent under the Securities Depository's policies and procedures for the issuance and payment of commercial paper; and (B) the Remarketing Agent must arrange for the execution and delivery to the Securities Depository of its required letter of representation for the eligibility of the Series 2003 Multi-Modal Bonds in the Short-Term Rate Period in the Securities Depository's book entry system and the provision of any needed CUSIP numbers; and (C) the Commission shall take all other action needed to comply with the Securities Depository's requirements applicable to the issuance and payment of the Bonds while in the Short-Term Rate Period; and (D) the Commission shall enter into any amendment of this Second Supplemental Indenture that is needed to comply with the Securities Depository's or any rating agency's requirements concerning the issuance and payment of the Series 2003 Multi-Modal Bonds in the Short-Term Rate Period.

(d) *Failure of Conditions to Conversion.* In the event any condition precedent to a conversion is not fulfilled, (i) the Conversion Date shall not occur, (ii) the mandatory tender pursuant to Section 3.08(a)(i) shall not occur, (iii) any affected ARCs Rate Bond shall continue to be an ARCs Rate Bond and shall continue to be payable at the applicable ARCs Rate for the balance of the ARCs Interest Period then applicable thereto (without regard to the attempted conversion) and shall bear interest for the next succeeding ARCs Interest Period at the Auction Rate for 7 day Auction Period determined in accordance with the ARC Provisions and (iv) any other affected Series 2003 Multi-Modal Bond shall continue in the then existing Interest Rate Period with the length of the interest period and the interest rate being determined in accordance with Section 2.03; provided however, if payment has failed due to the default under the Bond Insurance Policy the Auction Rate shall be the Maximum Rate. Notice of withdrawal of a conversion notice shall be given by the Commission, the Trustee, the Remarketing Agent, the Tender Agent, the Bond Insurer, the Liquidity Provider and the Auction Agent (in the case of conversion of ARCs) by telephone, promptly confirmed in writing, and shall thereafter be promptly given to the Bondowners by the Trustee by first-class mail. Section 2.07 Method and Place of Payment of Series 2003 Multi-Modal Bonds.

(a) The principal of and redemption premium, if any, and interest on the Series 2003 Multi-Modal Bonds shall be payable in any coin or currency of the United States of America

which on the respective dates of payment thereof is legal tender for the payment of public and private debts.

(b) The principal of and the redemption premium, if any, on all Series 2003 Multi-Modal Bonds shall be payable by check or draft at maturity or upon earlier redemption to the Persons in whose names such Series 2003 Multi-Modal Bonds are registered on the Bond Register at the maturity or redemption date thereof, upon the presentation and surrender of such Series 2003 Multi-Modal Bonds at the Principal Office of the Trustee or of any Paying Agent named in the Bonds.

(c) The interest payable on each Series 2003 Multi-Modal Bond on any Interest Payment Date shall be paid by the Trustee to the Person in whose name such Bond is registered on the Bond Register at the close of business on the Record Date for such interest, (i) by check or draft mailed on the applicable Interest Payment Date to such Registered Owner at his address as it appears on such Bond Register or at such other address as is furnished to the Trustee in writing by such Owner or (ii) by electronic transfer in immediately available funds, if the Series 2003 Multi-Modal Bonds are held by a Securities Depository, or at the written request addressed to the Trustee by any Owner of Series 2003 Multi-Modal Bonds in the aggregate principal amount of at least \$1,000,000, such request to be signed by such Owner, containing the name of the bank (which shall be in the continental United States), its address, its ABA routing number, the name and account number to which credit shall be made and an acknowledgment that an electronic transfer fee is payable, and to be filed with the Trustee no later than ten Business Days before the applicable Record Date preceding such Interest Payment Date. (d) Defaulted Interest with respect to any Series 2003 Multi-Modal Bond shall cease to be payable to the Owner of such Series 2003 Multi-Modal Bond on the relevant Record Date and shall be payable to the Owner in whose name such Bond is registered at the close of business on the Special Record Date for the payment of such Defaulted Interest, which Special Record Date shall be fixed in the following manner. The Commission shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Series 2003 Multi-Modal Bond and the date of the proposed payment (which date shall be such as will enable the Trustee to comply with the next sentence hereof), and shall deposit with the Trustee at the time of such notice an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment; money deposited with the Trustee shall be held in trust for the benefit of the Owners of the Series 2003 Multi-Modal Bonds entitled to such Defaulted Interest as provided in this Section. Following receipt of such funds the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Commission of such Special Record Date and, in the name and at the expense of the Commission, shall cause notice of the proposed payment of such Defaulted Interest and the

Special Record Date therefor to be mailed, first-class postage prepaid, to each Owner of a Series 2003 Multi-Modal Bond entitled to such notice at the address of such owner as it appears on the Bond Register not less than 10 days prior to such Special Record Date.

Section 2.08 Execution and Authentication of Series 2003 Multi-Modal Bonds.

(a) The Series 2003 Multi-Modal Bonds shall be executed on behalf of the Commission by the manual or facsimile signature of the Governor of the Commonwealth of Pennsylvania and the Chairman of the Commission and attested by the manual or facsimile signature of the Secretary and Treasurer of the Commission, and shall have the corporate seal of the Commission affixed thereto or imprinted thereon. In case any officer whose signature or facsimile thereof appears on any Series 2003 Multi-Modal Bonds shall cease to be such officer before the delivery of such Series 2003 Multi-Modal Bonds, such signature or facsimile thereof shall nevertheless be valid and sufficient for all purposes, the same as if such person had remained in office until delivery. Any Series 2003 Multi-Modal Bond may be signed by such persons as at the actual time of the execution of such Bond shall be the proper officers to sign such Series 2003 Multi-Modal Bond although at the date of such Series 2003 Multi-Modal Bond such persons may not have been such officers.

(b) The Series 2003 Multi-Modal Bonds shall have endorsed thereon a Certificate of Authentication substantially in the form set forth in Exhibit A hereto, which shall be manually executed by the Trustee. No Series 2003 Multi-Modal Bond shall be entitled to any security or benefit under this Indenture or shall be valid or obligatory for any purpose unless and until such Certificate of Authentication shall have been duly executed by the Trustee. Such executed Certificate of Authentication upon any Series 2003 Multi-Modal Bond shall be conclusive evidence that such Series 2003 Multi-Modal Bond has been duly authenticated and delivered under this Indenture. The Certificate of Authentication on any Series 2003 Multi-Modal Bond shall be deemed to have been duly executed if signed by any authorized officer or signatory of the Trustee, but it shall not be necessary that the same officer or signatory sign the Certificate of Authentication on all of the Series 2003 Multi-Modal Bonds that may be issued hereunder at any one time.

Section 2.09 Registration, Transfer and Exchange of Series 2003 Multi-Modal Bonds.

(a) The Trustee is hereby appointed Bond Registrar and as such shall keep the Bond Register at its Principal Office.

(b) Any Series 2003 Multi-Modal Bond may be transferred only upon the Bond Register upon surrender thereof to the Trustee duly endorsed for transfer or accompanied by an assignment duly executed by the Registered Owner or his attorney or legal representative in such form as shall be satisfactory to the Trustee. Upon any such transfer, the Commission shall execute and the Trustee shall authenticate and deliver in exchange for such Series 2003 Multi-Modal Bond a new Series 2003 Multi-Modal Bond or Series 2003 Multi-Modal Bonds, registered in the name of the transferee, of any denomination or denominations authorized by this Indenture and of the same maturity and bearing interest at the same rate.

(c) Any Series 2003 Multi-Modal Bonds, upon surrender thereof at the Principal Office of the Trustee, together with an assignment duly executed by the Registered Owner or his attorney or legal representative in such form as shall be satisfactory to the Trustee, may, at the option of the Registered Owner thereof, be exchanged for an equal aggregate principal amount of Series 2003 Multi-Modal Bonds of the same maturity, of any denomination or denominations authorized by this Indenture, and bearing interest at the same rate.

(d) In all cases in which Series 2003 Multi-Modal Bonds shall be exchanged or transferred hereunder, the Commission shall execute and the Trustee shall authenticate and deliver at the earliest practicable time Bonds in accordance with this Indenture. All Series 2003 Multi-Modal Bonds surrendered in any such exchange or transfer shall forthwith be canceled by the Trustee.

(e) The Commission, the Trustee or the Securities Depository may make a charge against the Bondowner requesting the same for every such transfer or exchange of Series 2003 Multi-Modal Bonds sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such charge shall be paid before any such new Series 2003 Multi-Modal Bond shall be delivered. The fees and charges of the Trustee for making any transfer or exchange hereunder and the expense of any bond printing necessary to effect any such transfer or exchange shall be paid by the Commission. In the event any Bondowner fails to provide a correct taxpayer identification number to the Trustee, the Trustee may impose a charge against such Bondowner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Section 3406 of the Internal Revenue Code, such amount may be deducted by the Trustee from amounts otherwise payable to such Bondowner hereunder or under the Series 2003 Multi-Modal Bonds.

(f) The Trustee shall not be required to (i) transfer or exchange any Series 2003 Multi-Modal Bond during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of such Series 2003 Multi-Modal Bond and ending at the close of business on the day of such mailing, or (ii) transfer or exchange any Series 2003 Multi-Modal Bond so selected for redemption in whole or in part, or during a period beginning at the opening of business on any Record Date for such Series 2003 Multi-Modal Bond and ending at the close of business on the relevant Interest Payment Date therefor.

(g) The Person in whose name any Series 2003 Multi-Modal Bond shall be registered on the Bond Register shall be deemed and regarded as the absolute owner of such Series 2003 Multi-Modal Bond for all purposes, and payment of or on account of the principal or Purchase Price of and redemption premium, if any, and interest on any such Series 2003 Multi-Modal Bond shall be made only to or upon the order of the Registered Owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Series 2003 Multi-Modal Bond, including the interest thereon, to the extent of the sum or sums so paid.

(h) At reasonable times upon prior Written Request and under reasonable regulations established by the Trustee, the Bond Register may be inspected and copied by the Commission or by the Owners (or a designated representative thereof) of 10% or more in principal amount of

Series 2003 Multi-Modal Bonds then Outstanding, such ownership and the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.

Section 2.10 Temporary Series 2003 Multi-Modal Bonds.

(a) Until definitive Series 2003 Multi-Modal Bonds are ready for delivery, the Commission may execute, and upon the Written Request of the Commission, the Trustee shall authenticate and deliver, in lieu of definitive Series 2003 Multi-Modal Bonds, but subject to the same limitations and conditions as definitive Series 2003 Multi-Modal Bonds, temporary printed, engraved, lithographed or typewritten Series 2003 Multi-Modal Bonds.

(b) If temporary Series 2003 Multi-Modal Bonds shall be issued, the Commission shall cause the definitive Series 2003 Multi-Modal Bonds to be prepared and to be executed and delivered to the Trustee, and the Trustee, upon presentation to it at its Principal Office of any temporary Series 2003 Multi-Modal Bond shall cancel the same and authenticate and deliver in exchange therefor, without charge to the Owner thereof, a definitive Series 2003 Multi-Modal Bond of the same maturity and bearing interest at the same rate as the temporary Bond surrendered. Until so exchanged the temporary Series 2003 Multi-Modal Bonds shall in all respects be entitled to the same benefit and security of this Indenture as the definitive Series 2003 Multi-Modal Bonds to be issued and authenticated hereunder.

Section 2.11 Mutilated, Lost, Stolen or Destroyed Series 2003 Multi-Modal Bonds.

In the event any Series 2003 Multi-Modal Bond shall become mutilated, or be lost, stolen or destroyed, the Commission shall execute and the Trustee shall authenticate and deliver a new Series 2003 Multi-Modal Bond of like date and tenor as the Series 2003 Multi-Modal Bond mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Series 2003 Multi-Modal Bond, such mutilated Series 2003 Multi-Modal Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Series 2003 Multi-Modal Bond, there shall be first furnished to the Commission and the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together, in either such case, with such security or indemnity as may be required by the Trustee to save the Commission and the Trustee harmless. In the event any such Series 2003 Multi-Modal Bond shall have matured or been selected for redemption, instead of issuing a substitute Series 2003 Multi-Modal Bond the Trustee in its discretion may, instead of issuing a new Series 2003 Multi-Modal Bond, pay, with funds available under this Indenture for such purpose, such Bond without surrender thereof (except in the case of a mutilated Series 2003 Multi-Modal Bond). Upon the issuance of any substitute Series 2003 Multi-Modal Bond, the Commission and the Trustee may require the payment of an amount by the Bondowner sufficient to reimburse the Commission and the Trustee for any tax or other governmental charge that may be imposed in relation thereto and any other reasonable fees and expenses incurred in connection therewith.

Section 2.12 Cancellation and Destruction of Bonds Upon Payment. All Series 2003 Multi-Modal Bonds which have been paid or redeemed or which the Trustee has purchased or which have otherwise been surrendered to the Trustee under this Indenture, either at or before maturity, shall be canceled and destroyed by the Trustee in compliance with all applicable laws and regulations and the record retention requirements of the Trustee upon the payment,

redemption or purchase of such Series 2003 Multi-Modal Bonds and the surrender thereof to the Trustee. The Trustee shall execute a certificate in triplicate describing the Series 2003 Multi-Modal Bonds so canceled and destroyed, and shall file executed counterparts of such certificate with the Commission.

Section 2.13 Book-Entry; Securities Depository.

(a) The Bonds shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no beneficial owner will receive certificates representing their respective interests in the Series 2003 Multi-Modal Bonds, except in the event the Trustee issues Replacement Bonds as provided in Subsection (b). It is anticipated that during the term of the Series 2003 Multi-Modal Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal and Purchase Price of, premium, if any, and interest on, the Series 2003 Multi-Modal Bonds to the Participants until and unless the Trustee authenticates and delivers Replacement Series 2003 Multi-Modal Bonds to the beneficial owners as described in Subsection (b).

(b) (i) If the Commission determines (A) that the Securities Depository is unable to properly discharge its responsibilities, or (B) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (C) that the continuation of a book-entry system to the exclusion of any Series 2003 Multi-Modal Bonds being issued to any Bondowner other than Cede & Co. is no longer in the best interests of the beneficial owners of the Bonds, or (ii) if the Trustee receives written notice from Participants having interests in not less than 50% of the Series 2003 Multi-Modal Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect to the Trustee by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Bondowner other than Cede & Co. is no longer in the best interests of the beneficial owners of the Series 2003 Multi-Modal Bonds, then the Trustee, based on information provided to it by the Securities Depository, shall notify the beneficial owners of the Series 2003 Multi-Modal Bonds and the Bond Insurer of such determination or such notice and of the availability of certificates to beneficial owners of the Series 2003 Multi-Modal Bonds requesting the same, and the Trustee shall register in the name of and authenticate and deliver Series 2003 Multi-Modal Bonds (the "Replacement Bonds") to the beneficial owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (i)(A) or (i)(B) of this Subsection (b), the Commission, with the consent of the Trustee, may select a successor Securities Depository in accordance with Subsection (c) to effect book-entry transfers. In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository or its nominee is the Registered Owner of at least one Series 2003 Multi-Modal Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Trustee, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the Trustee or the Commission are unable to locate a qualified successor of the Securities Depository in accordance with Subsection (c) below, then the Trustee shall authenticate and cause delivery of Replacement

Bonds to the Commission, as provided herein. The Trustee may rely on information from the Securities Depository and its Participants as to the names, addresses, taxpayer identification numbers of and principal amount held by the beneficial owners of the Series 2003 Multi-Modal Bonds. The cost of printing Replacement Bonds shall be paid for by the Commission.

(c) In the event the Securities Depository resigns or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Commission may appoint a successor Securities Depository provided the Trustee receives written evidence satisfactory to the Trustee with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Trustee upon its receipt of a Series 2003 Multi-Modal Bond or Series 2003 Multi-Modal Bonds for cancellation shall cause the delivery of Series 2003 Multi-Modal Bonds to the successor Securities Depository in appropriate denominations and form as provided herein.

ARTICLE III

REDEMPTION AND TENDER OF SERIES 2003 MULTI-MODAL BONDS

Section 3.01 Redemption of Series 2003 Multi-Modal Bonds Generally. The Series 2003 Multi-Modal Bonds shall be subject to redemption prior to maturity in accordance with the terms and provisions set forth in this Article.

(a) *Optional Redemption.* The Series 2003 Multi-Modal Bonds are subject to optional redemption as follows:

(i) ARCs, Daily Rate Bonds and Weekly Rate Bonds are subject to redemption and payment prior to maturity, at the option of the Commission upon written direction from the Commission, in whole or in part on any date at the redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date.

Notwithstanding the foregoing, if before the first day of a Long-Term Interest Period or Fixed Rate Period an alternate optional redemption schedule is delivered by the Commission to the Trustee setting forth redemption dates and redemption prices during that Fixed Rate Period or Long-Term Interest Period together with a certificate of the Remarketing Agent certifying that the redemption terms set forth therein are advantageous for the Remarketing Agent to remarket those Bonds for that period and a Favorable Opinion of Bond Counsel, then the Bonds shall be subject to redemption during that period in accordance with that optional redemption schedule rather than the schedule set forth above.

(v) Under this Second Supplemental Indenture, no Bonds may be called for purchase by the Commission in lieu of optional redemption without the express written consent of the Bond Insurer.

(d) *Credits against Scheduled Mandatory Redemption Obligations.* At the option of the Commission, to be exercised by delivery of a Certificate of Commission Representative to the Trustee on or before the 45th day next preceding any scheduled mandatory redemption date, it may (1) deliver to the Trustee for cancellation Series 2003 Multi-Modal Bonds subject to scheduled mandatory redemption on that date or portions thereof in Authorized Denominations or (2) specify a principal amount of Series 2003 Multi-Modal Bonds or portions thereof in Authorized Denominations which prior to said date have been purchased or redeemed (otherwise than pursuant to this Section) and canceled by the Trustee at the request of the Commission and not theretofore applied as a credit against any scheduled mandatory redemption payment. Each Series 2003 Multi-Modal Bond or portion thereof so delivered or previously redeemed shall be credited by the Trustee at the principal amount thereof against the obligation of the Commission to redeem Series 2003 Multi-Modal Bonds on the scheduled mandatory redemption date or dates designated in writing to the Trustee by the Commission Representative occurring at least 45 days after delivery of such designation to the Trustee, provided that if no such designation is made, such credit shall not be credited against such obligation.

Section 3.03 Selection of Series 2003 Multi-Modal Bonds to be Redeemed.

(a) Series 2003 Multi-Modal Bonds shall be redeemed only in Authorized Denominations. If less than all Series 2003 Multi-Modal Bonds are to be redeemed and paid prior to maturity, such Series 2003 Multi-Modal Bonds shall be selected by the Trustee by such method as the Trustee shall deem fair and appropriate; provided that Liquidity Provider Bonds and Commission Bonds, in that order, shall be redeemed before other Series 2003 Multi-Modal Bonds are redeemed.

(b) In the case of a partial redemption of Series 2003 Multi-Modal Bonds when Series 2003 Multi-Modal Bonds of denominations greater than the minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption each principal amount equal to the minimum Authorized Denomination shall be treated as though it was a separate Series 2003 Multi-Modal Bond of the minimum Authorized Denomination. If it is determined that a portion, but not all, of the principal amount represented by any Series 2003 Multi-Modal Bond is to be selected for redemption, then upon notice of intention to redeem such portion, the Owner of such Series 2003 Multi-Modal Bond or such Owner's attorney or legal representative shall forthwith present and surrender such Series 2003 Multi-Modal Bond to the Trustee (1) for payment of the redemption price (including the premium, if any, and interest to the date fixed for redemption) of the principal amount called for redemption, and (2) for exchange, without charge to the Owner thereof for a new Series 2003 Multi-Modal Bond or Series 2003 Multi-Modal Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Owner of any such Series 2003 Multi-Modal Bond shall fail to present such Series 2003 Multi-Modal Bond to the Trustee for payment and exchange as aforesaid, said Series 2003 Multi-Modal Bond shall, nevertheless, become due and payable on the redemption date to the extent of the principal amount called for redemption (and to that extent only).

(c) The Trustee shall call Series 2003 Multi-Modal Bonds for redemption and payment as herein provided upon receipt by the Trustee at least 45 days prior to the redemption date of a Written Request of the Commission. Such request shall specify the principal amount of Series 2003 Multi-Modal Bonds and their maturities so to be called for redemption, the applicable redemption price or prices and the provision or provisions above referred to pursuant to which such Series 2003 Multi-Modal Bonds are to be called for redemption. The foregoing provisions of this paragraph shall not apply in the case of any mandatory redemption of Series 2003 Multi-Modal Bonds pursuant to Section 3.02(c), and Series 2003 Multi-Modal Bonds, subject to the exercise by the Commission of its rights under Section 3.02(c), shall be called by the Trustee for redemption pursuant to such mandatory redemption requirements without the necessity of any action by the Commission and whether or not the Trustee shall hold in the Debt Service Fund moneys available and sufficient to effect the required redemption.

Section 3.04 Notice and Effect of Call for Redemption. Official notice of any such redemption shall be given by the Trustee on behalf of the Commission by mailing a copy of an official redemption notice by first class mail at least 30 days and not more than 60 days prior to the redemption date to each Registered Owner of the Series 2003 Multi-Modal Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Trustee.

All official notices of redemption shall be dated and shall state:

- (i) the redemption date;
- (ii) the redemption price;

(iii) if less than all Outstanding Series 2003 Multi-Modal Bonds are to be redeemed, the identification number and the respective principal amounts of the Series 2003 Multi-Modal Bonds to be redeemed;

(iv) that on the redemption date the redemption price will become due and payable upon each such Series 2003 Multi-Modal Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date; and

(v) the place where such Series 2003 Multi-Modal Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the Principal Office of the Trustee for the payment of Series 2003 Multi-Modal bonds.

Any notice of redemption of any Series 2003 Multi-Modal Bonds pursuant to Section 3.02(a) or (b) may specify that the redemption is contingent upon the deposit of moneys with the Trustee in an amount sufficient to pay the redemption price of all the Series 2003 Multi-Modal Bonds or portions of Series 2003 Multi-Modal Bonds which are to be redeemed on that date and, if a Liquidity Facility is in effect, shall specify that the redemption is contingent upon the deposit of Eligible Moneys with the Trustee in an amount sufficient to pay the redemption price on the redemption date.

Official notice of redemption having been given as aforesaid, the Series 2003 Multi-Modal Bonds or portions of Series 2003 Multi-Modal Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Commission shall default in the payment of the redemption price) such Series 2003 Multi-Modal Bonds or portions of Series 2003 Multi-Modal Bonds shall cease to bear interest. Upon surrender of such Series 2003 Multi-Modal Bonds for redemption in accordance with said notice, such Series 2003 Multi-Modal Bonds shall be paid by the Trustee at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Series 2003 Multi-Modal Bond, there shall be prepared for the Registered Owner a new Series 2003 Multi-Modal Bond or Series 2003 Multi-Modal Bonds of the same maturity in the amount of the unpaid principal. All Series 2003 Multi-Modal Bonds which have been redeemed shall be canceled and destroyed by the Trustee in accordance with Section 2.12 and shall not be reissued. A second notice of redemption shall be given within 60 days after the redemption date in the manner required herein to the Bondowners of redeemed Bonds which have not been presented for payment within 30 days after the redemption date.

In addition to the foregoing notice, further notice shall be given by the Trustee on behalf of the Commission as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed:

(i) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (i) the CUSIP numbers of all Series 2003 Multi-Modal Bonds being redeemed (provided that the notice may contain the Trustee's standard disclaimer as to the correctness and use of the CUSIP

numbers); (ii) the date of issue of the Series 2003 Multi-Modal Bonds as originally issued; (iii) the rate of interest borne by each Bond being redeemed; (iv) the maturity date of each Series 2003 Multi-Modal Bond being redeemed; and (v) any other descriptive information needed to identify accurately the Series 2003 Multi-Modal Bonds being redeemed.

(ii) Each further notice of redemption shall be sent at least 30 days before the redemption date by registered or certified mail, overnight delivery service or facsimile to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Series 2003 Multi-Modal Bonds and to one or more national information services that disseminate notices of redemption of obligations such as the Series 2003 Multi-Modal Bonds.

Upon the payment of the redemption price of Series 2003 Multi-Modal Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Series 2003 Multi-Modal Bonds being redeemed with the proceeds of such check or other transfer.

For so long as the Securities Depository is effecting book-entry transfers of the Bonds, the Trustee shall provide the notices specified in this Section only to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the beneficial owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a beneficial owner of a Bond (having been mailed notice from the Trustee, a Participant or otherwise) to notify the beneficial owner of the Series 2003 Multi-Modal Bond so affected, shall not affect the validity of the redemption of such Bond.

Failure to give any notice to any Owner, or any defect therein, shall not affect the validity of any proceedings for the redemption of any other Series 2003 Multi-Modal Bonds. Any notice mailed shall be conclusively presumed to have been duly given and shall become effective upon mailing, whether or not any Owner receives the notice.

Section 3.05 Tender Agent. There shall be a Tender Agent appointed by the Commission for the Series 2003 Multi-Modal Bonds as provided in this Section at all times that any Bonds are Daily Rate Bonds, Weekly Rate Bonds, Short-Term Rate Bonds or Long-Term Rate Bonds. The Tender Agent shall be a commercial bank, national association or trust company organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, subject to supervision or examination by federal or state Commission, and authorized to perform all of the duties imposed upon it by this Indenture, and having a combined capital and surplus of at least \$75,000,000. If such corporation or association publishes reports of condition at least annually, pursuant to law or to the requirements of such supervising or examining Commission, then for the purposes of this Section, the combined capital and surplus of such corporation or association shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The initial Tender Agent is National City Bank of Pennsylvania. The Tender Agent shall perform the duties imposed upon the Tender Agent by this Indenture, but only upon the terms and conditions set forth herein, including the following:

(a) hold all Series 2003 Multi-Modal Bonds delivered to it hereunder in trust for the benefit of the respective Owners which shall have so delivered such Series 2003 Multi-Modal Bonds until moneys representing the Purchase Price of such Series 2003 Multi-Modal Bonds shall have been delivered to or for the account of or to the order of such Owners;

(b) hold all moneys delivered to it hereunder for the purchase of Series 2003 Multi-Modal Bonds in trust solely for the benefit of the Person which shall have so delivered such moneys until the Series 2003 Multi-Modal Bonds purchased with such moneys shall have been delivered to or for the account of such Person;

(c) hold all moneys, other than proceeds of payments under the Liquidity Facility, delivered to it hereunder for the purchase of Series 2003 Multi-Modal Bonds as agent of, and in escrow for the exclusive benefit of, the Person which shall have so delivered such moneys until the Series 2003 Multi-Modal Bonds purchased with such moneys shall have been delivered to or for the account of such Person;

(d) hold all moneys delivered to it hereunder from payments under the Liquidity Facility for the purchase of Series 2003 Multi-Modal Bonds as agent of, and in escrow for the exclusive benefit of, the Bondowners who shall deliver Series 2003 Multi-Modal Bonds to it for purchase until the Bonds purchased with such moneys shall have been delivered to or for the account of the Liquidity Provider;

(e) keep such books and records as shall be consistent with customary corporate trust industry practice that shall accurately reflect the transactions hereunder and to make such books and records available for inspection by the Commission, the Trustee, the Remarketing Agent, the Series 2003 Multi-Modal Bond Insurer and the Liquidity Provider during normal business hours upon reasonable prior written notice;

(f) hold all Liquidity Provider Bonds delivered to it hereunder as agent of, and in escrow for the benefit of, the Liquidity Provider;

(g) deliver any notices required by this Indenture to be delivered by the Tender Agent; and

(h) perform all other duties of the Tender Agent under this Second Supplemental Indenture.

The Tender Agent shall be entitled to reasonable compensation for its services as Tender Agent as agreed upon with the Commission.

The Tender Agent at any time may resign and be discharged of the duties and obligations imposed upon the Tender Agent by this Second Supplemental Indenture, by giving written notice thereof to the Commission, the Trustee, the Remarketing Agent, the Bond Insurer and the

Liquidity Provider at least 30 days prior to the effective date of such resignation. The Tender Agent shall resign immediately at any time that it shall cease to be eligible in accordance with the provisions of this Section.

The Tender Agent may be removed at any time by the Trustee by an instrument in writing delivered to the Tender Agent, the Commission, the Trustee, the Remarketing Agent, the Liquidity Provider and the Bond Insurer.

If the Tender Agent shall resign, be removed or become incapable of acting for any cause, the Trustee, with the written consent of the Commission, the Bond Insurer and the Liquidity Provider (which consents shall not be unreasonably withheld), shall promptly appoint a successor Tender Agent by an instrument in writing delivered to the Commission, the Remarketing Agent, the Liquidity Provider, the Bond Insurer and the retiring Tender Agent. Every such successor Tender Agent appointed pursuant to the provisions of this Section shall meet the eligibility requirements of this Section. No successor Tender Agent shall accept its appointment unless at the time of such acceptance such successor Tender Agent shall be qualified and eligible under this Article.

Every successor Tender Agent appointed hereunder shall execute and deliver to the Commission, the Trustee, the Remarketing Agent, the Liquidity Provider, the Bond Insurer and the retiring Tender Agent an instrument accepting such appointment, designating its Principal Office and accepting the duties and obligations imposed upon it hereunder. No resignation or removal of the Tender Agent and no appointment of a successor Tender Agent pursuant to this Section shall become effective until the acceptance of appointment by the successor Tender Agent hereunder.

The Trustee shall give notice of each resignation and each removal of the Tender Agent and each appointment of a successor Tender Agent by mailing written notice of such event by first class mail, within 30 days of the resignation or removal of the Tender Agent or the appointment of a successor Tender Agent, to the Commission, the Liquidity Provider, the Bond Insurer, the Remarketing Agent, each rating service at the time providing a rating for the Bonds and the Owners of Bonds as their names and addresses appear in the Bond Register maintained by the Trustee. Each notice shall include the name of the successor Tender Agent and the address of its principal corporate trust office.

In the event of the resignation or removal of the Tender Agent, and the appointment of a successor Tender Agent, the retiring Tender Agent shall pay over, assign and deliver any moneys and Bonds held by it in such capacity to its successor.

In the event that the Tender Agent shall resign or be removed, or be dissolved, or if the property or affairs of the Tender Agent shall be taken under the control of any state or federal court or administrative body because of bankruptcy or insolvency, or for any other reason, and the Trustee shall not have appointed a successor as Tender Agent, the Trustee, notwithstanding the provisions of the third paragraph of this Section, shall ipso facto be deemed to be the Tender Agent for all purposes of this Second Supplemental Indenture until the appointment by the Trustee of the successor Tender Agent.

Any corporation or association into which the Tender Agent in its individual capacity may be merged or converted or with which it may be consolidated, or any merger, conversion or consolidation to which the Tender Agent in its individual capacity shall be a party, or any corporation or association to which all or substantially all the corporate trust business of the Tender Agent in its individual capacity may be sold or otherwise transferred, shall be the Tender Agent under this Second Supplemental Indenture without further act.

Section 3.06 Optional Tenders During Daily Rate Periods and Weekly Rate Periods.

(a) Owners of Daily Rate Bonds or Weekly Rate Bonds may elect to have their Daily Rate Bonds or Weekly Rate Bonds (other than Commission Bonds or Liquidity Provider Bonds), or portions thereof in Authorized Denominations, purchased at the Purchase Price on the following Purchase Dates and upon the giving of the following telephonic, teletype or written notices meeting the further requirements set forth in Subsection (b):

(i) Daily Rate Bonds (other than Commission Bonds or Liquidity Provider Bonds) may be tendered for purchase at the Purchase Price payable in immediately available funds on any Business Day upon telephonic, teletype or written notice of tender to the Tender Agent and the Remarketing Agent not later than 9:30 a.m., New York City time, on the designated Purchase Date.

(ii) Weekly Rate Bonds (other than Commission Bonds or Liquidity Provider Bonds) may be tendered for purchase at the Purchase Price payable in immediately available funds on any Business Day upon delivery of a written notice of tender to the Tender Agent and the Remarketing Agent not later than 5:00 p.m., New York City time, on a Business Day not fewer than seven days prior to the designated Purchase Date.

(b) Each notice of tender:

(i) shall, in case of a written notice, be delivered to the Tender Agent and the Remarketing Agent at their Principal Offices and be in form satisfactory to the Tender Agent and the Remarketing Agent;

(ii) shall state, whether delivered in writing or by telephone or teletypewriter, (A) the principal amount of the Daily Rate Bond or Weekly Rate Bond to which the notice relates and the CUSIP number of that Bond, (B) that the Owner irrevocably demands purchase of that Series 2003 Multi-Modal Bond or a specified portion thereof in an Authorized Denomination, (C) the Purchase Date on which that Series 2003 Multi-Modal Bond or portion thereof is to be purchased and (D) payment instructions with respect to the Purchase Price; and

(iii) shall automatically constitute, whether delivered in writing or by telephone or teletypewriter, (A) an irrevocable offer to sell the Series 2003 Multi-Modal Bond (or portion thereof) to which such notice relates on the Purchase Date to any purchaser selected by the Remarketing Agent (or to the Liquidity Provider in the case of purchases made with funds paid under the Liquidity Facility), at a price equal to the Purchase Price,

(B) an irrevocable authorization and instruction to the Tender Agent to effect transfer of such Series 2003 Multi-Modal Bond (or portion thereof) upon receipt by the Tender Agent of funds sufficient to pay the Purchase Price on the Purchase Date, (C) an irrevocable authorization and instruction to the Tender Agent to effect the exchange of the Series 2003 Multi-Modal Bond to be purchased in whole or in part for other Series 2003 Multi-Modal Bonds in an equal aggregate principal amount so as to facilitate the sale of that Series 2003 Multi-Modal Bond (or portion thereof to be purchased), (D) an acknowledgment that such Owner will have no further rights with respect to that Series 2003 Multi-Modal Bond (or portion thereof) upon deposit of an amount equal to the Purchase Price thereof with the Tender Agent on the Purchase Date, except for the right of such Owner to receive the Purchase Price upon surrender of that Series 2003 Multi-Modal Bond to the Tender Agent, and (E) an agreement of such Owner to deliver such Daily Rate Bonds or Weekly Rate Bonds, with all necessary endorsements for transfer and signature guarantees, to the Tender Agent at its Principal Office not later than 1:00 p.m., New York City time, on the Purchase Date.

The determination of the Tender Agent and the Remarketing Agent as to whether a notice of tender has been properly delivered pursuant to the foregoing shall be conclusive and binding upon the Owner. The Tender Agent or the Remarketing Agent may waive any irregularity or nonconformity in any notice of tender.

(c) The right of Bondowners to tender Daily Rate Bonds or Weekly Rate Bonds for purchase pursuant to this Section shall terminate upon the earliest of (i) the fifth day next preceding the Expiration Date (or unless on or prior to the fifth day next preceding the Expiration Date, the Expiration Date is extended), (ii) a Conversion Date for conversion to an Interest Rate Period other than a Daily Rate Period or a Weekly Rate Period, and (iii) the Termination Date. The right of Bondowners to tender Daily Rate Bonds or Weekly Rate Bonds for purchase pursuant to this Section may be terminated or suspended under the circumstances described in the Liquidity Facility.

(d) Notwithstanding anything to the contrary herein, all Daily Rate Bonds or Weekly Rate Bonds as to which a written notice specifying the Purchase Date has been delivered pursuant to this Section (and which have not been tendered to the Tender Agent) shall be deemed tendered on the Purchase Date specified. From and after the specified Purchase Date of a Series 2003 Multi-Modal Bond or Series 2003 Multi-Modal Bonds tendered to the Tender Agent or deemed tendered pursuant to this Section, the former Owner of such a Series 2003 Multi-Modal Bond or Series 2003 Multi-Modal Bonds shall be entitled solely to the payment of the Purchase Price of such Series 2003 Multi-Modal Bond or Series 2003 Multi-Modal Bonds tendered or deemed tendered which Purchase Price shall be payable only as set forth in Section 3.07(d).

(e) The Tender Agent shall promptly return any notice of tender delivered pursuant to this Section (together with the Series 2003 Multi-Modal Bonds submitted therewith) that is incomplete or improperly completed or not delivered within the times required by this Section to the Person or Persons submitting such notice and Series 2003 Multi-Modal Bonds upon surrender of the receipt, if any, issued therefor.

(f) Notwithstanding the foregoing, if the Series 2003 Multi-Modal Bonds are held in a book-entry form at the Securities Depository, the right to optionally tender Daily Rate Bonds or Weekly Rate Bonds may be exercised by the beneficial owners of those Series 2003 Multi-Modal Bonds. Such right shall be exercised by delivery by a beneficial owner to the Remarketing Agent no later than the times specified in Subsection (a) of the notice described in Subsection (b) stating that such beneficial owner will cause its beneficial interest (or portion thereof in an Authorized Denomination) to be tendered, the amount of such interest to be tendered, the date on which such interest will be tendered and the identity of the Participant through which the beneficial owner maintains its interest. Upon delivery of such notice, the beneficial owner must make arrangements to have its beneficial ownership interest in the Series 2003 Multi-Modal Bonds being tendered to the Tender Agent to be transferred on the records of the Securities Depository to the Tender Agent at or prior to 1:00 p.m., New York City time, on the Purchase Date.

Section 3.07 Purchase of Series 2003 Multi-Modal Bonds by Tender Agent.

(a) The Tender Agent shall establish a special trust fund to be designated the Purchase Fund (the "Purchase Fund"). Within the Purchase Fund, the Tender Agent shall establish four separate accounts to be designated the Remarketing Account, the Liquidity Account, the Commission Account and the Undelivered Bond Payment Account. Only the Tender Agent shall have any right of withdrawal from the Purchase Fund; and the Purchase Fund and such right of withdrawal shall be for the sole and exclusive benefit of the Owners of the Series 2003 Multi-Modal Bonds subject to purchase on Purchase Dates (and the Liquidity Provider to the extent provided in Subsection (e)); and the Commission shall have no legal, beneficial or equitable interest in the Purchase Fund. Amounts on deposit in the Purchase Fund shall be held uninvested and without bearing interest. Amounts in a particular account of the Purchase Fund shall not be commingled with amounts in any other account of the Purchase Fund. Any moneys received by the Tender Agent by reason of the remarketing by the Remarketing Agent of Bonds subject to purchase on a Purchase Date shall be deposited by the Tender Agent in the Remarketing Account of the Purchase Fund and applied by the Tender Agent in accordance with Subsections (d) and (e). Any moneys received by the Tender Agent representing amounts paid by the Liquidity Provider under the Liquidity Facility for the purchase of Series 2003 Multi-Modal Bonds subject to purchase on a Purchase Date shall be deposited by the Tender Agent in the Liquidity Account of the Purchase Fund and applied by the Tender Agent in accordance with Subsections (d) and (e). Any moneys received by the Tender Agent representing amounts paid by the Commission for the purchase of Series 2003 Multi-Modal Bonds subject to purchase on a Purchase Date shall be deposited by the Tender Agent in the Commission Account of the Purchase Fund and applied by the Tender Agent in accordance with Subsections (d) and (e). Moneys shall be transferred to the Undelivered Bond Payment Account from the other accounts of the Purchase Fund or to the Liquidity Provider in accordance with Subsection (e); and moneys shall be applied from the Undelivered Bond Payment Account in accordance with Subsection (f).

(b) Upon receipt of any telephonic, teletype or written notice of tender relating to Daily Rate Bonds, the Remarketing Agent shall notify the Tender Agent, the Commission and the Liquidity Provider by telephonic notice of the amount of such Series 2003 Multi-Modal

Bonds to be tendered pursuant to such notice and the Remarketing Agent shall confirm such telephonic notice by telecopier or other telecommunications device by 10:00 a.m., New York City time, on the Purchase Date, with the Remarketing Agent including in such telephonic notice and the confirmation thereof the amount of the Purchase Price of such Series 2003 Multi-Modal Bonds and the portion, if any, thereof representing accrued and unpaid interest on such Bonds to the Purchase Date. Upon receipt of written notice of tender relating to Weekly Rate Bonds, the Remarketing Agent shall, not later than 5:00 p.m., New York City time, on the next Business Day, send notice of such tender to the Commission and the Liquidity Provider by telecopier or other telecommunications device, with the Remarketing Agent including in such notice the amount of the Purchase Price of such Series 2003 Multi-Modal Bonds and the portion, if any, thereof representing accrued and unpaid interest on such Series 2003 Multi-Modal Bonds to the Purchase Date. Simultaneously with the giving (pursuant to Section 3.08(e)) of notice of any mandatory tender of Series 2003 Multi-Modal Bonds pursuant to Section 3.08(a), the Trustee shall give notice by telephone or telecopier, promptly confirmed by a written notice, to the Tender Agent, the Remarketing Agent, the Bond Insurer, the Liquidity Provider and the Commission specifying the Purchase Date, the aggregate principal amount and Purchase Price of Series 2003 Multi-Modal Bonds subject to mandatory tender on such Purchase Date, and the portion, if any, of such Purchase Price representing accrued and unpaid interest on such Series 2003 Multi-Modal Bonds to such Purchase Date.

(c) Not later than 11:30 a.m., New York City time, on each Purchase Date, the Tender Agent shall determine the amount, if any, by which the Purchase Price of the Series 2003 Multi-Modal Bonds to be purchased on such Purchase Date exceeds the amount of the proceeds of the remarketing of such Series 2003 Multi-Modal Bonds by the Remarketing Agent on deposit in the Remarketing Account of the Purchase Fund at such time; and

(i) if a Liquidity Facility is in effect on such Purchase Date, then (A) not later than 12:00 p.m., New York City time, on such Purchase Date, the Tender Agent shall request (such request being referred to as a "Liquidity Facility Request") the purchase by the Liquidity Provider under the Liquidity Facility, or the funding by the Liquidity Provider under the Liquidity Facility of moneys for the purchase, of Series 2003 Multi-Modal Bonds having a Purchase Price equal to the amount of such excess (by submitting to the Liquidity Provider in accordance with the Liquidity Facility all documents as are required for such purpose), and (B) not later than 2:00 p.m., New York City time, on such Purchase Date, the Tender Agent shall deposit the proceeds of the Liquidity Facility Request received by the Tender Agent in the Liquidity Account of the Purchase Fund; or

(ii) if no Liquidity Facility is in effect on such Purchase Date, then (A) not later than 12:00 p.m., New York City time, on such Purchase Date, the Tender Agent shall notify the Commission that the amount of such excess is the amount payable by the Commission to the Tender Agent for purposes of causing the Tender Agent to purchase on behalf of the Commission Bonds having a Purchase Price equal to such excess, and (B) not later than 2:00 p.m., New York City time, on such Purchase Date, the Tender Agent shall deposit the amount, if any, received by the Tender Agent from the Commission for such purpose in the Commission Account of the Purchase Fund.

(d) Not later than 2:30 p.m., New York City time, on each Purchase Date, the Tender Agent shall disburse the Purchase Price of Bonds to be purchased on such Purchase Date to the Owners thereof (upon surrender thereof for payment of such Purchase Price), from the following sources and in the following order of priority:

(i) Moneys on deposit in the Remarketing Account of the Purchase Fund (representing the proceeds of the remarketing by the Remarketing Agent of such Series 2003 Multi-Modal Bonds);

(ii) If a Liquidity Facility is in effect on such Purchase Date, moneys on deposit in the Liquidity Account of the Purchase Fund (representing the proceeds of a Liquidity Facility Request); and

(iii) Moneys on deposit in the Commission Account (representing amounts paid by the Commission to the Tender Agent for the purchase of such Series 2003 Multi-Modal Bonds).

If the funds available (from the sources indicated above) for the purchase of Series 2003 Multi-Modal Bonds subject to purchase on a Purchase Date are insufficient to purchase all of the Bonds subject to purchase on such Purchase Date (including Undelivered Bonds), then, no purchase of any Series 2003 Multi-Modal Bonds shall occur on such Purchase Date and, on such Purchase Date, the Tender Agent shall (i) return all of such Series 2003 Multi-Modal Bonds that were tendered to the Owners thereof, (ii) return all moneys received by the Tender Agent for the purchase of such Series 2003 Multi-Modal Bonds to the respective Persons that provided such moneys (in the respective amounts in which such moneys were so provided), and (iii) notify the Trustee of the foregoing. If the Liquidity Facility is in effect, no such failure to purchase Bonds shall constitute an Event of Default.

(e) Any moneys remaining in the Remarketing Account, the Liquidity Account or the Commission Account and representing (but not exceeding) the Purchase Price of Series 2003 Multi-Modal Bonds subject to purchase on the applicable Purchase Date but not tendered and delivered for purchase on the applicable Purchase Date (following the payments described in Subsection (d)) shall be transferred by the Tender Agent to the Undelivered Bond Payment Account not later than 3:30 p.m., New York City time, on the applicable Purchase Date (and retained therein, subject to Subsection (a), for application in accordance with Subsection (f)). Any moneys remaining in the Remarketing Account, the Liquidity Account and the Commission Account on a Purchase Date (after the payments described in Subsection (d) and the transfer described in the preceding sentence of this Subsection (e)) shall be wire transferred by the Tender Agent, in immediately available funds, prior to the close of business on such Purchase Date, to the Remarketing Agent, the Liquidity Provider and the Commission, respectively.

(f) Moneys transferred to the Undelivered Bond Payment Account of the Purchase Fund on any Purchase Date shall be applied, on or after such Purchase Date, by the Tender Agent to pay the Purchase Price of Undelivered Bonds in respect of which they were so transferred, upon the surrender of such Series 2003 Multi-Modal Bonds to the Tender Agent for such purpose.

Section 3.08 Mandatory Purchase of Series 2003 Multi-Modal Bonds.

(a) All the Series 2003 Multi-Modal Bonds shall be subject to mandatory tender for purchase by the Tender Agent at the Purchase Price on the following Purchase Dates:

- (i) each Conversion Date;
- (ii) the first day after the last day of each Short-Term Interest Period;
- (iii) the first day after the last day of each Long-Term Interest Period;
- (iv) the fifth day next preceding each Expiration Date (unless, prior to the fifth day next preceding that Expiration Date, that Expiration Date is extended);
- (v) each Substitution Date; and
- (vi) any Termination Date.

(b) Series 2003 Multi-Modal Bonds to be purchased pursuant to Subsection (a) shall be delivered by the Owners thereof to the Tender Agent (together with necessary assignments and endorsements) at or prior to 1:00 p.m., New York City time, on the applicable Purchase Date.

(c) Any Series 2003 Multi-Modal Bonds to be purchased by the Tender Agent pursuant to this Section that are not delivered for purchase on or prior to the Purchase Date, for which there has been irrevocably deposited in trust with the Trustee or the Tender Agent an amount sufficient to pay the Purchase Price of such Series 2003 Multi-Modal Bonds, shall be deemed to have been delivered to the Tender Agent for purchase, and the Owners of such Series 2003 Multi-Modal Bonds shall not be entitled to any payment (including any interest to accrue on or after the Purchase Date) other than the respective Purchase Prices of such Series 2003 Multi-Modal Bonds, and such Series 2003 Multi-Modal Bonds shall not be entitled to any benefits of this Second Supplemental Indenture, except for payment of such Purchase Price out of the moneys deposited for such payment as aforesaid.

(d) In addition to any other requirements set forth in this Indenture, notices of mandatory tender mailed to Bondowners shall:

- (i) specify the proposed Purchase Date and the event which gives rise to the proposed Purchase Date;
- (ii) state that such Series 2003 Multi-Modal Bonds shall be subject to mandatory tender for purchase on such date;
- (iii) state that Owners may not elect to retain Series 2003 Multi-Modal Bonds subject to mandatory tender;

(iv) state that all Series 2003 Multi-Modal Bonds subject to mandatory tender shall be required to be delivered to the designated corporate trust office of the Tender Agent at or before 1:00 p.m., New York City time, on the Purchase Date;

(v) state that if the Owner of any Series 2003 Multi-Modal Bond subject to mandatory tender fails to deliver such Series 2003 Multi-Modal Bond to the Tender Agent for purchase on the Purchase Date, and if the Tender Agent is in receipt of funds sufficient to pay the Purchase Price thereof, such Series 2003 Multi-Modal Bond (or portion thereof) shall nevertheless be deemed purchased on the Purchase Date and ownership of such Series 2003 Multi-Modal Bond (or portion thereof) shall be transferred to the purchaser thereof,

(vi) state that any Owner that fails to deliver such Series 2003 Multi-Modal Bond for purchase shall have no further rights thereunder or under this Indenture except the right to receive the Purchase Price thereof upon presentation and surrender of such Series 2003 Multi-Modal Bond to the Tender Agent and that the Trustee will place a stop transfer against the Series 2003 Multi-Modal Bonds subject to mandatory tender registered in the name of such Owner(s) on the registration books;

(vii) in the case of mandatory tender upon any proposed conversion of Series 2003 Multi-Modal Bonds, state that such conversion and such mandatory tender will not occur if certain events and conditions specified in Section 2.04(c) do not occur or are not satisfied (and summarize those events and conditions);

(viii) in the case of mandatory tender upon the proposed conversion of ARCs to Daily Rate Bonds, Weekly Rate Bonds, Short-Term Rate Bonds or Long-Term Rate Bonds, identify the Liquidity Provider, if any, and the projected rating or ratings of the Series 2003 Multi-Modal Bonds following the Conversion Date, or state that there shall be no separate Liquidity Provider other than the Commission;

(ix) in the case of mandatory tender on the fifth day next preceding the Expiration Date, state that such mandatory tender will not occur, if, on or prior to such fifth day, the Expiration Date is extended; and

(x) in the case of mandatory tender on a Substitution Date, state the information required by Section 3.12(d).

(e) Notice of mandatory tender of Bonds by reason of a proposed Conversion Date shall be given in accordance with Sections 2.04(c); and notice of mandatory tender of Series 2003 Multi-Modal Bonds by reason of a proposed Substitution Date shall be given in accordance with Section 3.12(d). Notice of mandatory tender of Series 2003 Multi-Modal Bonds by reason of other events described in Subsection (a) shall be given by the Trustee no fewer than 10 days prior to the applicable Purchase Date (i) to the Owners of the Series 2003 Multi-Modal Bonds (at their addresses as they appear on the registration books of the Trustee as of the date of such notice) by first-class mail, and (ii) to, the Commission, the Remarketing Agent, the Tender Agent and the Liquidity Provider by first-class mail;

(f) If, following the giving of notice of mandatory tender of Series 2003 Multi-Modal Bonds pursuant to Subsection (a), an event occurs which, in accordance with the terms of this Second Supplemental Indenture, causes such mandatory tender not to occur, then (i) the Trustee shall so notify the Owners of the Series 2003 Multi-Modal Bonds (at their addresses as they appear on the registration books of the Trustee on the date of such notice), by first-class mail, as soon as may be practicable after the applicable Purchase Date, and (ii) the Tender Agent shall return to their Owners any Series 2003 Multi-Modal Bonds tendered to the Tender Agent in connection with such mandatory tender of Series 2003 Multi-Modal Bonds.

Section 3.09 The Remarketing Agent.

(a) At any time of a proposed conversion of the Series 2003 Multi-Modal Bonds pursuant to Section 2.04 to Daily Rate Bonds, Weekly Rate Bonds, Short-Term Rate Bonds or Long-Term Rate Bonds, the Commission shall appoint a Remarketing Agent with the prior written consent of the Liquidity Provider and the Bond Insurer (which consents shall not be unreasonably withheld). Successor Remarketing Agents may be appointed from time to time by the Commission with the prior written consent of the Liquidity Provider and the Bond Insurer (which consents shall not be unreasonably withheld). The Remarketing Agent shall be a corporation or other legal entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to perform all duties imposed upon the Remarketing Agent by this Second Supplemental Indenture, and shall be either (a) a member of the National Association of Securities Dealers, Inc. and registered as a Municipal Securities Dealer under the Securities Exchange Act of 1934, as amended, or (b) a national banking association, commercial bank or trust company. So long as the Bonds are held in book-entry form at the Securities Depository, the Remarketing Agent must be a Participant in the Securities Depository with respect to the Series 2003 Multi-Modal Bonds.

(b) Each Remarketing Agent appointed in accordance with this Second Supplemental Indenture shall designate its Principal Office and signify its acceptance of the duties and obligations imposed upon it as described herein by a written instrument of acceptance delivered to the Commission, the Trustee, the Tender Agent, the Commission, the Bond Insurer and the Liquidity Provider or by executing and delivering a Remarketing Agreement, in either case under which the Remarketing Agent will agree, particularly:

(i) to hold all moneys delivered to it hereunder for the purchase of Series 2003 Multi-Modal Bonds in trust for the exclusive benefit of the Person or Persons that shall have so delivered such moneys until the Series 2003 Multi-Modal Bonds purchased with such moneys shall have been delivered to or for the account of such Person or Persons;

(ii) to keep such books and records as shall be consistent with prudent industry practice and to make such books and records available for inspection by the Commission, the Trustee, the Tender Agent and the Commission at all reasonable times;

(iii) to determine (a) the Daily Rates, Weekly Rates, Short-Term Rates and Long-Term Rates, and (b) if engaged as Remarketing Agent in connection with the

conversion to Fixed Rate Bonds, the Fixed Rate(s), and give notice of such rates in accordance with Article II;

(iv) to remarket Daily Rate Bonds, Weekly Rate Bonds, Short-Term Rate Bonds and Long-Term Rate Bonds at rates no higher than the rate of interest available under the Liquidity Facility, if a Liquidity Facility secures the Series 2003 Multi-Modal Bonds, and to remarket Short-Term Rate Bonds and Long-Term Rate Bonds for Short-Term Periods or Long-Term Interest Rate Periods, as appropriate, no longer than interest is available under the Liquidity Facility if a Liquidity Facility secures the Series 2003 Multi-Modal Bonds all in accordance with Section 3.12;

(v) to offer for sale and use its best efforts to find purchasers for the Series 2003 Multi-Modal Bonds tendered for purchase, any such sale to be made at a price equal to 100% of the principal amount thereof plus accrued interest to the purchase date, in accordance with the terms of this Second Supplemental Indenture;

(vi) to deliver to the Tender Agent all Series 2003 Multi-Modal Bonds held by it in accordance with the terms of this Second Supplemental Indenture and the Remarketing Agreement; and

(vii) to perform such other duties and responsibilities (including with respect to Liquidity Facility Bonds) as are provided in this Second Supplemental Indenture to be performed by the Remarketing Agent.

Notwithstanding the foregoing, a Remarketing Agent may be engaged for only certain types of Interest Rate Periods, and in that event the Remarketing Agent shall not be required to perform the duties of the Remarketing Agent for any other type of Interest Rate Period.

(c) One or more firms may serve as co-Remarketing Agents hereunder provided that each co-Remarketing Agent satisfies the requirements of Subsection (a). If co-Remarketing Agents have been appointed and are performing the duties of Remarketing Agent hereunder, all references herein to the Remarketing Agent shall be deemed to refer to all the Remarketing Agents acting jointly; provided that the Remarketing Agreement may provide that one firm may perform certain specified duties hereunder in its sole capacity.

(d) The Remarketing Agent may at any time resign and be discharged of the duties and obligations described in this Indenture by giving at least 30 days notice to the Commission, the Trustee, the Bond Insurer, the Tender Agent, the Liquidity Provider and all rating agencies then providing ratings for the Bonds; provided that the Remarketing Agent shall continue to serve as Remarketing Agent until such time as a successor Remarketing Agent shall have been appointed and shall have accepted such appointment. The Remarketing Agent may be removed at any time upon the Written Request of the Commission and upon written notice to the Remarketing Agent, the Tender Agent, the Trustee, the Bond Insurer and the Liquidity Provider; provided, however, that no such removal shall be or become effective unless and until a successor Remarketing Agent shall have been appointed and accepted such appointment in accordance with Subsection (a).

(e) If and so long as no successor Remarketing Agent is appointed by the Commission after the office of Remarketing Agent becomes vacant, the Tender Agent or Trustee, at the expense of the Commission, may petition a court to appoint a successor Remarketing Agent.

(f) The Remarketing Agent may in good faith hold the Series 2003 Multi-Modal Bonds or any other form of indebtedness issued by the Commission; own, accept or negotiate any drafts, bills of exchange, acceptances or obligations thereof, and make disbursements therefor and enter into any commercial or business arrangement therewith; all without any liability on the part of the Remarketing Agent for any real or apparent conflict of interest by reason of any such actions.

Section 3.10 Sale of Bonds by Remarketing Agent.

(a) Upon the receipt by the Remarketing Agent of (i) notice of tender of Daily Rate Bonds or Weekly Rate Bonds pursuant to Section 3.06, or (ii) notice of mandatory tender of Bonds pursuant to Section 3.08, the Remarketing Agent shall offer for sale and use its best efforts to solicit purchases of Series 2003 Multi-Modal Bonds subject to purchase on the applicable Purchase Date at a price equal to the Purchase Price; provided that the Remarketing Agent shall not offer for sale or use its best efforts to solicit purchases of Series 2003 Multi-Modal Bonds subject to mandatory tender on the Expiration Date or the Termination Date; and provided further that, prior to the Expiration Date, the Remarketing Agent shall not offer for sale or sell any Bonds to the Commission or any Affiliate.

(b) The Remarketing Agent shall direct that the proceeds of all purchases of Series 2003 Multi-Modal Bonds solicited and arranged by the Remarketing Agent be paid to the Tender Agent (for deposit in the Remarketing Account of the Purchase Fund), at or prior to 11 a.m., New York City time, on the applicable Purchase Date, in immediately available funds (and, promptly upon receipt thereof, the Tender Agent shall deposit such proceeds in the Remarketing Account of the Purchase Fund).

(c) At or prior to 4:30 p.m., New York City time, on the Business Day next preceding each Purchase Date (other than a Purchase Date arising under Section 3.06 with respect to a Series 2003 Multi-Modal Bond bearing interest at a Daily Rate), the Remarketing Agent shall give notice by telephone (promptly confirmed by telecopy, telex, telegram or other telecommunication device) to the Trustee, the Tender Agent, the Liquidity Provider and the Commission specifying: (i) the aggregate principal amount and Purchase Price of Series 2003 Multi-Modal Bonds subject to purchase on such Purchase Date for which the Remarketing Agent has received indications of interest from prospective purchasers, and (ii) the aggregate principal amount and Purchase Price of Series 2003 Multi-Modal Bonds subject to purchase on such Purchase Date for which the Remarketing Agent has not received indications of interest from prospective purchasers.

(d) The Remarketing Agent shall offer for sale and use its best efforts to arrange for the sale and remarketing of all Liquidity Provider Bonds at a price equal to 100% of the principal amount thereof plus accrued and unpaid interest thereon (at the rate that would be borne by such

Liquidity Provider Bonds if such Liquidity Provider Bonds were not Liquidity Provider Bonds). In connection with each remarketing of Liquidity Provider Bonds by the Remarketing Agent:

(i) The Remarketing Agent shall (A) provide to the Commission, the Liquidity Provider, the Trustee and the Tender Agent not less than one Business Day prior notice of such remarketing, and (B) pay, or cause to be paid to the Liquidity Provider, by wire transfer of immediately available funds, the proceeds of such remarketing;

(ii) The Commission shall (A) in consultation with the Liquidity Provider, calculate the amounts payable to the Liquidity Provider pursuant to the Liquidity Facility by reason of, and on the date of such remarketing (such amounts being referred to as the "Remarketing Payment Amount"), and (B) pay to the Liquidity Provider, or direct the Trustee to withdraw from the Debt Service Fund and pay to the Liquidity Provider, in either case, on the date of such remarketing and by wire transfer of immediately available funds, an amount of money which, when added to the proceeds of such remarketing being delivered to the Liquidity Provider on the date of such remarketing, equals the Remarketing Payment Amount;

(iii) The Tender Agent shall confirm with the Liquidity Provider the receipt by the Liquidity Provider of the Remarketing Payment Amount, the reinstatement of the Liquidity Facility in respect of such Liquidity Provider Bonds and the authorization of the Liquidity Provider to release such Liquidity Provider Bonds; and

(iv) After, and only after, receipt by the Tender Agent of confirmation by the Liquidity Provider of the reinstatement of the Liquidity Facility to cover such Liquidity Provider Bonds following remarketing thereof and authorization by the Liquidity Provider of such transfer or such authentication and delivery, the Tender Agent shall (A) while a book-entry system is in effect with respect to the Series 2003 Multi-Modal Bonds, cause the ownership interest in such Liquidity Provider Bonds to be transferred to or for the benefit of such purchaser or purchasers as are specified by the Remarketing Agent for such purpose, and (B) while a book-entry system is not in effect with the Securities Depository with respect to the Series 2003 Multi-Modal Bonds, cause the Trustee to authenticate other Series 2003 Multi-Modal Bonds in lieu of such Liquidity Provider Bonds and to deliver the same to or upon the instruction of the Remarketing Agent.

(e) The Remarketing Agent shall offer for sale and use its best efforts to arrange for the sale and remarketing of (i) all Series 2003 Multi-Modal Bonds subject to purchase on a Purchase Date that are purchased with moneys provided by the Commission to the Tender Agent for such purpose (as described in Section 3.07(c)(ii)), and (ii) all Bonds that are purchased by the Commission pursuant to the Liquidity Facility and not surrendered by the Commission for cancellation.

Section 3.11 Delivery of Series 2003 Multi-Modal Bonds.

(a) Upon application of the moneys described in Section 3.07(d)(i) to the purchase of Series 2003 Multi-Modal Bonds on a Purchase Date pursuant to Section 3.07(d)(i) (and/or to the transfer thereof to the Undelivered Bond Payment Account on a Purchase Date pursuant to Section 3.07(e)), the Tender Agent shall cause the Trustee to register the transfer of Series 2003 Multi-Modal Bonds purchased therewith in the names of the purchasers thereof in accordance with information provided by the Remarketing Agent for such purpose and to have such transferred Series 2003 Multi-Modal Bonds available for delivery against payment therefor.

(b) Upon application of the moneys described in Section 3.07(d)(ii) to the purchase of Series 2003 Multi-Modal Bonds on a Purchase Date pursuant to Section 3.07(d)(ii) (and/or to the transfer thereof to the Undelivered Bond Payment Account on a Purchase Date pursuant to Section 3.07(e)), (i) the Series 2003 Multi-Modal Bonds purchased (or, in the case of such transfer, provided to be purchased) with such moneys shall constitute Liquidity Provider Bonds (unless and until such Series 2003 Multi-Modal Bonds cease to be Liquidity Provider Bonds as described in the definition thereof), and (ii) if a book-entry system is in effect with the Securities Depository with respect to the Bonds, the ownership interest in such Liquidity Provider Bonds shall be transferred on the books of the Securities Depository to or for the account of the Tender Agent or a Participant acting on behalf of the Tender Agent and the Tender Agent shall, and shall cause such Participant to, mark its own books and records to reflect the beneficial ownership of such Liquidity Provider Bonds by the Liquidity Provider, and (iii) if a book-entry system is not in effect with the Securities Depository with respect to the Series 2003 Multi-Modal Bonds, such Series 2003 Multi-Modal Bonds shall be delivered by the Tender Agent to the Trustee for registration of transfer and shall be registered by the Trustee in the name of the Liquidity Provider, or any nominee of the Liquidity Provider, and delivered by the Trustee to the Tender Agent and held by the Tender Agent as the custodian of the Liquidity Provider. The Tender Agent shall release and redeliver or transfer Liquidity Provider Bonds (being remarketed by the Remarketing Agent) as provided in Section 3.10(d). Any other disposition of Liquidity Provider Bonds shall be made only at the written direction or with the prior written consent of the Liquidity Provider.

(c) Upon the application of moneys described in Section 3.07(d)(iii) to the purchase of Bonds on a Purchase Date pursuant to Section 3.07(d)(iii) (and/or to the transfer thereof to the Undelivered Bond Payment Account on a Purchase Date pursuant to Section 3.07(e)), the Series 2003 Multi-Modal Bonds purchased (or, in the case of such transfer, provided to be purchased) with such moneys shall be registered in the name of the Commission and shall, at the direction of the Commission, be delivered to the Trustee for cancellation (and canceled by the Trustee) or delivered to the Tender Agent for the account of the Commission and remarketed in accordance with Section 3.10(e).

(d) Any Series 2003 Multi-Modal Bonds canceled by the Trustee pursuant to this Section and any Bonds surrendered by the Commission to the Trustee for cancellation shall be allocated to the next succeeding scheduled mandatory redemption obligation pursuant to Section 3.02(c), then as a credit against such future scheduled mandatory redemption obligation pursuant to Section 3.02(c) as the Commission may specify in a Certificate of Commission

Representative. Prior to the Expiration Date, the Trustee shall notify the Liquidity Provider of the aggregate principal amount of Series 2003 Multi-Modal Bonds so canceled and shall submit to the Liquidity Provider such documents, if any, as are required in accordance with the terms of the Liquidity Facility to cause the amounts available under the Liquidity Facility to be reduced in respect of such Series 2003 Multi-Modal Bonds so canceled.

Section 3.12 The Liquidity Facility.

(a) The Tender Agent shall make Liquidity Facility Requests in accordance with Section 3.07(c).

(b) The Tender Agent shall not terminate or reduce the amounts available under the Liquidity Facility except by reason of the redemption, cancellation and/or defeasance of Series 2003 Multi-Modal Bonds.

(c) The Commission shall maintain a Liquidity Facility in effect in accordance with Section 3.13 herein at all times it is required to do so by that Section.

(d) The Commission may furnish a Substitute Liquidity Facility (which shall be acceptable to the Bond Insurer) in substitution for the then existing Liquidity Facility upon satisfaction of the conditions set forth in Section 3.13 herein. The Trustee shall give notice to the Owners of the Series 2003 Multi-Modal Bonds (at their addresses as they appear on the registration books of the Trustee as of the date of such notice) and the Bond Insurer, by first-class mail, of the proposed substitution of a Substitute Liquidity Facility for the Liquidity Facility then in effect and the related Substitution Date (stating the issuer or issuers and the term of such Substitute Liquidity Facility) at least 10 days prior to such Substitution Date. Such notice shall also constitute the notice of mandatory tender of the Series 2003 Multi-Modal Bonds on the related Substitution Date; provided, however, that in addition to the information required by Section 3.08(d), such notice shall state that such mandatory tender of the Series 2003 Multi-Modal Bonds will not occur if, on or prior to the proposed Substitution Date, (i) the Tender Agent does not receive such Substitute Liquidity Facility, together with the supporting substitution documents, or (ii) if the Tender Agent does not receive the prior written consent of the Bond Insurer and the written evidence from each Rating Agency then having a rating assigned to the Series 2003 Multi-Modal Bonds that the substitution which is to occur on such Substitution Date will not, in and of itself, result in a reduction, suspension or withdrawal by such Rating Agency of the short-term rating then assigned by such Rating Agency to the Series 2003 Multi-Modal Bonds. If, by reason of the conditions to such mandatory tender of the Series 2003 Multi-Modal Bonds (as stated in such notice), there is no mandatory tender of the Series 2003 Multi-Modal Bonds on the proposed Substitution Date, (i) the Tender Agent shall so notify the Trustee, (ii) the Trustee shall so notify the Owners of the Series 2003 Multi-Modal Bonds (at their addresses as they appear on the registration books of the Trustee as of the date of such notice) by first-class mail, and (iii) the Tender Agent shall return to their Owners any Series 2003 Multi-Modal Bonds tendered to the Tender Agent in connection with such mandatory tender of the Series 2003 Multi-Modal Bonds. Regardless of whether there is a mandatory tender for purchase of the Series 2003 Multi-Modal Bonds on a Substitution Date, the Trustee shall give notice of the occurrence of such Substitution Date to the Owners of the Series 2003 Multi-Modal

Bonds (at their addresses as they appear on the registration books of the Trustee as of the date of such notice), by first-class mail, within five days after the occurrence of such Substitution Date.

(e) No Liquidity Facility is required if the requirements of Section 3.13(c) are met (which includes the prior written consent of the Bond Insurer) for the expiration of any Liquidity Facility without substitution of a Substitute Liquidity Facility.

Section 3.13. Liquidity Facility; Substitute Liquidity Facility.

(a) During any time that Series 2003 Multi-Modal Bonds are Daily Rate Bonds, Weekly Rate Bonds, Short-Term Rate Bonds or Long-Term Rate Bonds, the Commission shall maintain a Liquidity Facility issued by a Qualified Financial Institution or, with the prior written consent of the Bond Insurer, the Commission may deliver a Substitute Liquidity Facility, in an amount equal to the aggregate principal amount of all Outstanding Series 2003 Multi-Modal Bonds, plus an amount equal to at least 34 days interest (183 days interest if the Series 2003 Multi-Modal Bonds are Long-Term Rate Bonds) on all Series 2003 Multi-Modal Bonds Outstanding at the Maximum Rate other than Liquidity Provider Bonds under which the Liquidity Provider is required to purchase Series 2003 Multi-Modal Bonds tendered for purchase in accordance with the Bond Indenture. The Commission will not voluntarily terminate the Liquidity Facility while Series 2003 Multi-Modal Bonds are Daily Rate Bonds, Weekly Rate Bonds, Short-Term Rate Bonds or Long-Term Rate Bonds without at least 60 days prior written notice to the Trustee and without providing for a Substitute Liquidity Facility acceptable to the Bond Insurer prior to the effective date of such termination.

(b) Subject to any restrictions contained in a Liquidity Facility, at any time the Commission may, with the prior written consent of the Bond Insurer (which consent shall not be unreasonably withheld), furnish a Substitute Liquidity Facility in substitution for an existing Liquidity Facility subject to the following limitations and the other limitations set forth in this Section:

(i) The Substitute Liquidity Facility must be provided by a Qualified Financial Institution or, with the written consent of the Bond Insurer, the Commission.

(ii) The principal amount of the Substitute Liquidity Facility must be not less than that required by Section 3.13(a) and the terms of the Substitute Liquidity Facility regarding the purchase, holding and sale of Series 2003 Multi-Modal Bonds thereunder must be in all material respects the same as those of the existing Liquidity Facility.

(iii) The bank or financial institution providing the Substitute Liquidity Facility and the form and content of the Substitute Liquidity Facility must be acceptable to the Bond Trustee, the Remarketing Agent and the Bond Insurer (whose consents shall not be unreasonably withheld).

(iv) The term of the Substitute Liquidity Facility must be at least 90

days.

(v) On or prior to the effective date of a Liquidity Facility, the Commission shall furnish to the Series 2003 Multi-Modal Bond Trustee and the Bond Insurer:

(A) an Opinion of Counsel acceptable to the Trustee and the Bond Insurer to the effect that the Liquidity Facility has been duly authorized, executed and delivered by the Liquidity Provider and is a valid and binding obligation of the Liquidity Provider enforceable in accordance with its terms (subject as to enforceability to standard exceptions respecting bankruptcy, insolvency and similar laws and principles of equity) and that the exemption of the Series 2003 Multi-Modal Bonds (or any securities evidenced thereby) from the registration requirements of the Securities Act of 1933, as amended, and the exemption of this Indenture from qualification under the Trust Indenture Act of 1939, as amended, shall not be impaired by such Substitute Liquidity Facility or that the applicable registration or qualification requirements of such acts have been satisfied, and

(B) a Favorable Opinion of Bond Counsel.

(vi) The Commission shall give written notice to the Trustee, the Tender Agent, the Bond Insurer, the Liquidity Provider, the Remarketing Agent and each rating service then maintaining a rating on the Series 2003 Multi-Modal Bonds, not less than 30 days prior to the effective date of any replacement of a Liquidity Facility with a Substitute Liquidity Facility and not less than 30 days prior to the Expiration Date of a Liquidity Facility then in effect, specifying that the Commission intends to replace the Liquidity Facility with a Substitute Liquidity Facility on or before the Expiration Date of the Liquidity Facility then in effect. Upon receipt of such notice, the Trustee shall promptly mail a notice of the anticipated delivery of the Substitute Liquidity Facility by first-class mail to the Remarketing Agent and each Owner. A draft of each Substitute Liquidity Facility and appropriate information concerning the issuer of the Substitute Liquidity Facility shall be submitted by the Commission to each rating service then maintaining a rating on the Series 2003 Multi-Modal Bonds.

(vii) The Commission shall cause to be delivered to the Bond Trustee not less than 30 days prior to the Expiration Date of an existing Liquidity Facility (A) a commitment by the Liquidity Provider that will issue the Substitute Liquidity Facility, and (B) written notice from each rating service that has notified the Trustee in writing that it has established a rating on the Series 2003 Multi-Modal Bonds stating whether the substitution of the Substitute Liquidity Facility will result in a reduction or withdrawal of its short-term rating then in effect on

the Series 2003 Multi-Modal Bonds. The Series 2003 Multi-Modal Bonds shall be subject to mandatory tender as provided herein, regardless of whether the proposed Substitute Liquidity Facility will result in a withdrawal or reduction of that rating service's then current short-term rating for the Series 2003 Multi-Modal Bonds.

(c) The Commission shall exercise its best efforts to arrange for the delivery to the Trustee of a Substitute Liquidity Facility to replace any Liquidity Facility then in effect at or before the expiration thereof prior to the end of any then current Interest Rate Period or upon the occurrence of any of the following events or circumstances:

(i) If the Liquidity Provider has rescinded, terminated or repudiated the Liquidity Facility, or the Liquidity Provider or any governmental authority with jurisdiction over the Liquidity Facility is challenging the validity of the Liquidity Facility or if the Liquidity Provider is in default under the Liquidity Facility.

(ii) If the Liquidity Provider refuses to extend the Expiration Date with respect to the current Liquidity Facility then in effect, but the term of such Substitute Liquidity Facility need not (but may) begin prior to the Expiration Date of the current Liquidity Facility then in effect. The Commission shall not terminate the current Liquidity Facility until the term of the Substitute Liquidity Facility has begun.

(iii) Receipt by the Trustee of written notice from the Liquidity Provider that an "event of default" or an "event of termination" as defined in the Liquidity Facility has occurred and is continuing under the Liquidity Facility.

(iv) Failure of the Liquidity Provider to honor its obligation under the Liquidity Facility to purchase Series 2003 Multi-Modal Bonds.

(d) The Commission shall, if requested to do so by the Bond Insurer, use its best efforts to substitute a Substitute Liquidity Facility for any existing Liquidity Facility pursuant to this Section if the unsecured rating for the short-term debt of the Liquidity Provider thereunder is reduced below the two highest short-term rating categories by any rating service then rating the Series 2003 Multi-Modal Bonds that are covered by that existing Liquidity Facility.

(e) The Commission may, with the prior written consent of the Bond Insurer, provide its own Liquidity Facility if the Commission has agreed to pay the Purchase Price of any tendered Series 2003 Multi-Modal Bonds itself. As a result, any references herein to the Bank or to the Liquidity Facility shall be ignored or shall be construed as referencing the Commission for as long as the Commission has agreed to pay the Purchase Price of any tendered Series 2003 Multi-Modal Bonds itself. References to a "draw" or "drawing" (or a similar term) on the Liquidity Facility, for example, shall be construed in the absence of a Liquidity Facility to be a notice to the Commission of the need to provide funds for the purchase of Series 2003 Multi-Modal Bonds. If

the Commission provides its own Liquidity Facility, then the Bonds are subject to mandatory tender under the same terms as that of providing a Substitute Liquidity Facility herein.

ARTICLE IV

CREATION OF FUNDS AND ACCOUNTS; APPLICATION OF BOND PROCEEDS AND OTHER MONEYS

Section 4.01 Creation of Funds and Accounts. The Original Indenture created a Clearing Fund, a Revenue Fund, an Oil Franchise Tax Construction Fund, a Senior Bonds Debt Service Fund and a 2003 Rebate Fund. The First Supplemental Indenture created an Insured Swap Payment Account within the Senior Bonds Debt Service Fund, a 2003 Construction Fund Account within the Oil Franchise Tax Construction Fund and a 2003 Rebate Fund. There are hereby created and ordered to be established in the custody of the Trustee the following special trust funds and accounts in the name of the Commission as follows:

Within the Senior Bonds Debt Service Fund, the Senior Bonds Eligible Moneys Account, a Senior Bonds Non-Eligible Moneys Account.

The Trustee shall establish such accounts or subaccounts within such funds as are called for by the provision hereof at such time or times as such accounts or subaccounts are required or become applicable.

Section 4.02 Deposit of Series 2003 Multi-Modal Bond Proceeds and Other Moneys. The Commission shall cause to be paid all of the purchase price of the Series 2003 Multi-Modal Bonds by the Original Purchaser to the Trustee, and the Trustee shall deposit and apply such proceeds as set forth in the order of the Commission as required by Section 207(b) of the Original Indenture to issue the Bonds as Additional Bonds under the Original Indenture:

Section 4.03 Clearing Fund. There shall be deposited in the 2003 Series C Account of the Clearing Fund all of the net proceeds of the sale of the 2003 Series Multi-Modal Bonds, including accrued interest payable thereon, in accordance with Section 2.2. The amounts so deposited in the Clearing Fund shall be disbursed or transferred by the Trustee upon the furnishing of an Order of the Chairman of the Commission, substantially in the form of Exhibit C hereto, as is provided by Section 207(b) of the Original Indenture. There may be reserved in the Clearing Fund moneys for the payment of any unpaid items, including a contingency amount therefor, as may be set forth in the aforesaid Order of the Chairman of the Commission, and payment thereof shall be made by the Trustee upon receipt of a supplemental Order of the Chairman of the Commission. Upon the sooner of such payments and transfers finally being accomplished and that date six (6) months after the date of issuance of the Series 2003 Multi-Modal Bonds, any remaining balance shall be transferred to the 2003 Construction Account.

Section 4.04 Debt Service Fund.

(a) The Trustee shall make deposits and credits to the Senior Bonds Debt Service Fund, as and when received, as set forth below.

(i) All amounts required below payable from the Revenue Fund established under the Original Indenture.

(ii) Interest earnings and other income on Permitted Investments required to be deposited in the Debt Service Fund pursuant to Section 601 of the Original Indenture.

(iii) All other moneys received by the Trustee under any other Bond Document, when accompanied by directions from the Person depositing such moneys that such moneys are to be paid into the Senior Bonds Debt Service Fund.

(b) Any amounts received for deposit in the Senior Bonds Debt Service Fund that do not constitute Eligible Moneys shall be held in the Non-Eligible Moneys Account and shall not be commingled with any other moneys held by the Trustee. At such time as moneys in the Non-Eligible Moneys Account constitute Eligible Moneys, as evidenced by an opinion delivered to the Trustee satisfying the requirements set forth in clause (a) of the definition of "Eligible Moneys" herein, they shall be transferred to the Eligible Moneys Account upon written direction of the Commission. Any amounts received for deposit in the Senior Bonds Debt Service Fund that constitute Eligible Moneys (other than amounts drawn under the Liquidity Facility), and any amounts deposited in the Non-Eligible Moneys Account which at a later date become Eligible Moneys, shall be held in the Eligible Moneys Account and shall not be commingled with any other moneys held by the Trustee. Any amounts drawn under the Liquidity Facility for the payment of principal of or premium, if any, or interest on the Series 2003 Multi-Modal Bonds shall be held in the Liquidity Facility Account and shall not be commingled with moneys held by the Trustee.
