Interest on the 2011C Bonds shall be payable in arrears on each Interest Payment Date, commencing on the first Interest Payment Date after the date of original issuance of the 2011C Bonds.

(ii) The 2011C Bonds of each Series initially shall be Indexed Floating Rate Bonds. The 2011C-1 Bonds initially shall bear interest at the Index Floating Rate (C-1), and the 2011C-2 Bonds initially shall bear interest at the Index Floating Rate (C-2).

(iii) The amount of interest payable with respect to any 2011C Bonds on any Interest Payment Date shall be computed (1) during an Indexed Floating Rate Period, a Daily Interest Period, Weekly Interest Period, Monthly Interest Period or Short-Term Interest Period, on the basis of a 365- or 366-day, as applicable, year for the number of days actually elapsed, based on the calendar year in which an Indexed Floating Rate Period, Daily Interest Period, Weekly Interest Period, Monthly Interest Period or Short-Term Interest Period ends, and (3) during Fixed Rate Periods and Long-Term Rate Periods, on the basis of a 360-day year of twelve 30-day months.

(iv) All determinations of interest rates, amounts of interest payable on the 2011C Bonds and rate periods pursuant to this Supplemental Indenture No. 22 shall be conclusive and binding upon the Commission, the Trustee, the Tender Agent, the Paying Agent, the Remarketing Agent, the Original Purchasers, the Bank and the Owners of the 2011C Bonds to which such rates are applicable. The Commission, the Trustee, the Tender Agent, the Bank, and the Remarketing Agent shall not be liable to any Bondowner for failure to give any notice specified in this Supplemental Indenture No. 22 or for the failure of any Bondowner to receive any such notice.

(v) Notwithstanding any other provision of this Supplemental Indenture No. 22, the 2011C Bonds may bear interest at various rates for various periods; each Series, at any point in time, may bear interest at a rate for a period which is different from the rate and period for the other Series; and the Commission may designate one or more Subseries within a Series, and each Subseries at any point in time, may bear interest at a rate for a period which is different from the rate and period of the other Subseries of such Series. To the extent Subseries of Bonds are in different Interest Rate Periods or are being converted to or from Interest Rate Periods, references herein to a Series shall be deemed to refer to the applicable Subseries.

(b) Determination of Interest Rates:

(i) While 2011C Bonds bear interest at the Index Floating Rate, the interest rate shall be determined by the Calculation Agent. The interest rate for Daily Rate Bonds, Weekly Rate Bonds, Monthly Rate Bonds, Short-Term Rate Bonds, Long-Term Rate Bonds and Fixed Rate Bonds for each interest period shall be determined by the

Remarketing Agent as the lowest rate of interest which, in the judgment of the Remarketing Agent, would cause the 2011C Bonds of the applicable Series to have a market value as of the date of determination equal to the principal amount thereof (plus, in the case of conversion to Fixed Rate or Long Term Rate, a net remarketing premium for all such 2011C Bonds taken as a whole is also permissible) taking into account Prevailing Market Conditions, provided that in no event will the interest rate on any such 2011C Bonds exceed the Maximum Rate.

(ii) In the event the Remarketing Agent fails for any reason to determine the interest rate for any interest period:

(A) The interest rate for Daily Rate Bonds, Weekly Rate Bonds, Monthly Rate Bonds or Short-Term Rate Bonds shall be 100% of the SIFMA Index plus 25 basis points.

(B) The interest rate then in effect for Long-Term Rate Bonds will be (1) converted to Short-Term Rates equal to 100% of the prime short-term rate (30 days) for the most recent date shown in the table captioned "Short-Term Tax-Exempt Yields" in the most recent edition of The Bond Buyer or the dealer short-term rate (30 days) published in the most recent edition of The Wall Street Journal, or if The Bond Buyer and The Wall Street Journal are no longer published, any other published similar rate as is determined by the Trustee in its sole discretion to be appropriate, published on the day on which such rate is determined or is otherwise required to be determined, if such rate is not published on that day, the most recent publication of such rate, with Short-Term Interest Periods of 30 days, until the Trustee is notified of a new Short-Term Rate and Short-Term Interest Period determined for such 2011C Bonds by the Remarketing Agent or if the rate is converted to another in accordance with Section 2.4, but only if the Commission furnishes to the Trustee a Favorable Opinion of Bond Counsel, or (2) if the opinion described in clause (1) is not furnished, converted to a Long-Term Rate for a Long-Term Interest Period ending on the day prior to the next succeeding June 1 or December 1 which is more than 366 days later equal to 100% of the Kenny Information Services one-year tax-exempt index as communicated to the Trustee by Kenny Information Services, and if such index is not provided to the Trustee, equal to 70% of the closing yield for one-year Treasury Bills shown in the table captioned "U.S. Securities Prices" in the edition of The Bond Buyer (or if The Bond Buyer or such table is no longer published, any other published similar rate as is determined by the Trustee in its sole discretion to be appropriate) published on the day on which such rate is required to be determined or is otherwise required to be determined, or if such rate is not published on that day, the most recent publication of such rate, until the Trustee is notified of a new Long-Term Rate and Long-Term Interest Period.

(iii) Notice of the interest rate for each Daily Rate Bond, Weekly Rate Bond, Monthly Rate Bond, Short-Term Rate Bond and Long-Term Rate Bond shall be communicated by the Remarketing Agent to the Commission, the Trustee and the Bank by telecopier or other electronic communication or by telephone promptly confirmed in

writing, (1) in the case of Daily Rate Bonds on the date such interest rate is determined by 10:00 a.m., and (2) in the case of Weekly Rate Bonds, Monthly Rate Bonds, Short-Term Rate Bonds, Long-Term Rate Bonds or Fixed Rate Bonds, not later than 5:00 p.m. on the date such interest rate is determined, and shall be available to Bondowners after such time, from the Remarketing Agent at its Principal Offices and shall also be communicated by the Remarketing Agent to any Bondowner upon request.

(c) Daily Rates.

(i) Whenever 2011C Bonds are to bear interest accruing at a Daily Rate, Daily Interest Periods shall commence on each Business Day and shall extend to, but not include, the next succeeding Business Day.

(ii) The interest rate for each Daily Interest Period shall be effective from and including the commencement date thereof and shall remain in effect to, but not including, the next succeeding Business Day.

(iii) Each such interest rate shall be determined by the Remarketing Agent between 8:30 a.m. and 9:30 a.m., on the commencement date of the Daily Interest Period to which it relates. The Remarketing Agent shall make the Daily Rate available not less frequently than 9:30 a.m. of each day by electronic means to any Bondowner or beneficial owner of 2011C Bonds.

(d) Weekly Rates.

(i) Whenever 2011C Bonds are to bear interest accruing at a Weekly Rate, Weekly Interest Periods shall commence on Thursday of each week and end on Wednesday of the following week; provided, however, that (A) in the case of a conversion to a Weekly Rate Period, the initial Weekly Interest Period for such 2011C Bonds shall commence on the Conversion Date and end on the next succeeding Wednesday and (B) in the case of a conversion from a Weekly Rate to a Daily Rate a short-Term Rate or a Long-Term Rate, the last Weekly Interest Period prior to conversion shall end on the last day immediately preceding the Conversion Date.

(ii) The interest rate for each Weekly Interest Period shall be effective from and including the commencement date of such period and shall remain in effect through and including the last day thereof.

(iii) Each such interest rate shall be determined by the Remarketing Agent by 4:00 p.m., time, on the Business Day immediately preceding the commencement date of the Weekly Interest Period to which it relates.

(e) Monthly Rates.

(i) Whenever 2011C Bonds are to bear interest accruing at a Monthly Rate, Monthly Interest Periods shall commence on the first Business Day of the applicable month and end on the last day preceding the earliest of the commencement date of the next Monthly Interest Period, the date of maturity and the date of any mandatory

purchase; provided, however, that in the case of a conversion to a Monthly Rate Period, the initial Monthly Interest Period for such 2011C Bonds shall commence on the Conversion Date.

(ii) The Interest rate for each Monthly Interest Period shall be effective from and including the commencement date of such period and shall remain in effect through and including the last day thereof.

(iii) Each such interest rate shall be determined by the Remarketing Agent by 4:00 p.m., New York City time, on the Business Day immediately preceding the commencement date of the Monthly Interest Period to which it relates.

(f) Short-Term Rates.

Short-Term Rates on, and Short-Term Interest Periods for, Short-Term Rate Bonds shall be determined as follows:

(i) Each Short-Term Interest Period shall be determined by the Remarketing Agent on the first Business Day of that Short-Term Interest Period as that Short-Term Interest Period which will, in the judgment of the Remarketing Agent, produce the greatest likelihood of the lowest net interest cost during the term of the Bonds; provided that each Short-Term Interest Period (A) shall be from 1 to 270 days in length but shall not exceed the number of days of interest coverage provided by the Letter of Credit minus five days, shall not extend beyond the date that is five days before the Expiration Date of the Letter of Credit and shall not exceed the remaining number of days prior to the Conversion Date if the Remarketing Agent has given or received notice of any conversion to a different Interest Rate Period, (B) shall commence on a Business Day (except in the case of a conversion to a Short-Term Rate Period, the initial Short-Term Interest Period shall commence on the Conversion Date), shall end on a day preceding a Business Day, and (C) in any event shall end no later than the day preceding the maturity date for the applicable 2011C Bonds. The Remarketing Agent may, in the reasonable exercise of its judgment, determine a Short-Term Interest Period that results in a Short-Term Rate on the applicable 2011C Bonds that is higher than would be borne by 2011C Bonds with a shorter Short-Term Interest Period in order to increase the likelihood of achieving the lowest net interest cost during the term of the 2011C Bonds by assuring the effectiveness of such Short-Term Rate for a longer Short-Term Interest Period. The determination of a Short-Term Interest Period by the Remarketing Agent shall be based upon Prevailing Market Conditions including the relative market yields of 2011C Bonds and other securities that bear interest at a variable rate or at fixed rates that, in the reasonable exercise of the judgment of the Remarketing Agent are otherwise comparable to the 2011C Bonds; or any fact or circumstance relating to the 2011C Bonds or affecting the market for the 2011C Bonds or affecting such other comparable securities in a manner that, in the reasonable exercise of the judgment of the Remarketing Agent, will affect the market for the 2011C Bonds. The Remarketing Agent in its discretion, may consider such information and resources as it deems appropriate in making the determinations described in this paragraph, including consultations with the Commission,

but the Remarketing Agent's determination of the Short-Term Interest Period will be based solely upon the reasonable exercise of the Remarketing Agent's judgment.

(ii) The interest rate for each Short-Term Interest Period shall be effective from and including the commencement date of that interest period and shall remain in effect through and including the last day thereof.

(iii) Each such interest rate shall be determined by the Remarketing Agent by 4:00 p.m. on the Business Day immediately preceding the commencement date of the Short-Term Interest Period to which it relates.

(g) Long-Term Rates.

A Long-Term Rate for Long-Term Rate Bonds shall be determined for each Long-Term Interest Period as follows:

(i) Long-Term Interest Periods shall commence on a Conversion Date and subsequently on a June 1 or December 1 which is at least 12 calendar months after the Conversion Date to a Long-Term Rate Period, and end on the day preceding either the commencement date of the following Long-Term Interest Period or the Conversion Date on which a different Interest Rate Period shall become effective or the maturity date for the 2011C Bonds.

(ii) The Long-Term Rate for each Long-Term Interest Period shall be effective from and including the commencement date thereof and remain in effect to and including the last day thereof. Each such Long-Term Rate shall be determined by the Remarketing Agent by 4:00 p.m. on the Business Day immediately preceding the commencement date of such period.

(iii) Long-Term Interest Periods (other than a Long-Term Interest Period extending to the maturity date for the 2011C Bonds) shall not extend to a date beyond the fifth day next preceding the Expiration Date of the Letter of Credit.

(iv) The term of each Long-Term Interest Period shall be specified in writing by the Commission to the Remarketing Agent, the Trustee and the Tender Agent, at least 20 days before its commencement; provided that the term may not be more than one year if the term of the immediately preceding Long-Term Interest Period was one year or less, and the term shall not be one year if the term of the immediately preceding Long-Term Interest Period was more than one year, unless in each case the Commission has provided a Favorable Opinion of Bond Counsel to the Trustee.

(h) Fixed Rate of 2011C Bonds.

The Fixed Rate, and the schedule of principal payments for 2011C Bonds bearing interest at the Fixed Rate, shall be determined as set forth in this Subsection (h). 2011C Bonds bearing interest at a Fixed Rate may not be converted to any other type of Interest Rate Period pursuant to Section 2.4 and will not be covered by any Letter of Credit.

The Fixed Rate Period shall commence on a Conversion Date and shall extend to the earlier of the date of redemption or the maturity date for the 2011C Bonds. The Fixed Rate shall be set forth in the firm underwriting or purchase contract described in Section 2.4 hereof.

Upon conversion, the firm of bond underwriters or recognized institutional investors who agree to underwrite or purchase the 2011C Bonds in accordance with Section 2.4 hereof shall deliver to the Commission and the Trustee a certificate that includes (a) a schedule specifying the principal amount of 2011C Bonds to be called for mandatory sinking fund redemption (or to mature in accordance with subparagraph (iii) below) on December 1 of each year, commencing on the first December 1 occurring at least six months after the Fixed Rate Conversion Date, through and including the maturity date for the 2011C Bonds, and (b) a schedule specifying the interest on the 2011C Bonds to be paid on each Interest Payment Date, through and including the maturity date for the 2011C Bonds. In determining the amount of interest and principal that shall be payable on such dates, such firm of bond underwriters or institutional investors shall use the following guidelines:

(i) The interest rate on the 2011C Bonds then being converted shall be the lowest interest rate, taking into account current market conditions, that will enable such 2011C Bonds, taken as a whole, upon conversion to be remarketed at a total price which shall be 100% or more of the principal amount of the 2011C Bonds being remarketed, assuming that all 2011C Bonds then being converted to a Fixed Rate will be subject to mandatory sinking fund redemption in part on December 1 of each year (commencing on the first December 1 occurring at least six months after the Conversion Date) through and including the maturity date for such 2011C Bonds, all such 2011C Bonds shall pay interest semiannually on each Interest Payment Date and all such 2011C Bonds shall bear interest at the same rate (except as otherwise provided in subparagraph (iii) below); and

(ii) The schedule of principal payments and mandatory sinking fund redemption payments shall be set to achieve annual level debt service (including both principal and interest), as nearly as practicable taking into account the minimum Authorized Denominations of the 2011C Bonds then being converted to a Fixed Rate, for all remaining periods ending each year on December 1 (commencing on the first December 1 occurring at least six months after the Conversion Date) through and including the maturity date for such 2011C Bonds and, subject to subparagraph (iii) below, such 2011C Bonds shall be subject to mandatory sinking fund redemption in accordance with that schedule. All such 2011C Bonds shall be subject to mandatory sinking fund redemption (or serial maturities pursuant to subparagraph (iii) below) in accordance with the applicable schedule set forth in Section 7.1 hereof.

(iii) The foregoing subparagraphs (i) and (ii) notwithstanding, upon provision of a Favorable Opinion of Bond Counsel, 2011C Bonds that would otherwise be scheduled to be redeemed pursuant to mandatory sinking fund redemption provisions may be scheduled to mature on the same dates and the Remarketing Agent may establish more than one Fixed Rate to apply to the 2011C Bonds being converted to Fixed Rate Bonds, in accordance with this Section, taking into account the scheduled mandatory redemption dates or serial maturity dates to be assigned to the 2011C Bonds.

(iv) If the designation referred to in subparagraph (i) above cannot be made or the Favorable Opinion of Bond Counsel described in subparagraph (iii) above has not been delivered to the Trustee by the Commission, then no conversion shall be effected.

(i) Indexed Floating Rate.

(i) Indexed Floating Rate. Upon the initial issuance of each Series of the 2011C Bonds and upon any subsequent successful Conversion of a Series of the 2011C Bonds to an Indexed Floating Rate Period pursuant to Section 2.4(e), or upon the continuation of a Series of the 2011C Bonds in an Indexed Floating Rate Period, and until the interest rate on the Series of 2011C Bonds are successfully converted to another Interest Rate Period pursuant to Section 2.4(e), such Series of the 2011C Bonds shall bear interest at the Indexed Floating Rate determined by the Calculation Agent on each Indexed Floating Rate Determination Date; provided, however, that during the Initial Indexed Floating Rate Period (C-1), from and after the occurrence of a Bond Purchase Agreement Redemption Event, the Series of 2011C-1 Bonds shall bear interest at the Maximum Rate and during the Accelerated Principal Period (C-1), the 2011C-1 Bonds shall bear interest at the Accelerated Principal Period Interest Rate (C-1); provided, further, however, that during the Initial Index Floating Rate Period (C-2), from and after the occurrence of a Supplemental Covenants Agreement Event of Default, the 2011C-2 Bonds shall bear interest at the Default Rate and during the Accelerated Principal Period (C-2), the 2011C-2 Bonds shall bear interest at the Accelerated Principal Period Interest Rate (C-2); provided, further, however, that from and after any Taxable Date, the interest rate on the 2011C-1 Bonds or 2011C-2 Bonds, as applicable, shall be computed at a rate at all times equal to the lesser of (i) the Taxable Rate (C-1) or Taxable Rate (C-2) as applicable, and (ii) the Maximum Rate (subject to the provisions of the respective Bond Purchase Agreement relating to Excess Interest).

(ii) Determination of Applicable Spread for Indexed Floating Rate Periods Other than the Initial Indexed Floating Rate Period. The Indexed Floating Rate for each Series of the 2011C Bonds in an Indexed Floating Rate Period other than the Initial Indexed Floating Rate Period shall be determined as specified in a written notice delivered to the Trustee by a Commission Representative concurrently with an Indexed Floating Rate Continuation Notice or an Indexed Floating Rate Conversion Notice.

(iii) Calculation of Indexed Floating Rate. The Indexed Floating Rate for the Initial Interest Period for the 2011C-1 Bonds shall be 0.715% and for the 2011C-2 Bonds shall be 0.78% and shall apply to the period commencing on the Series Issue Date and ending on the following Wednesday, June 1, 2011. The Indexed Floating Rate for each series for each subsequent Indexed Floating Rate Interest Accrual Period during the Initial Indexed Floating Rate Period shall be calculated on each Indexed Floating Rate Determination Date by the Calculation Agent. The initial Indexed Floating Rate for each Series for each Indexed Floating Rate Period other than the Initial Indexed Floating Rate Period shall apply to the period commencing on the applicable Conversion Date and ending on the following Wednesday. The Indexed Floating Rate for each Series for each subsequent Indexed Floating Rate Interest Accrual Period during an Indexed Floating

Rate Period other than the Initial Indexed Floating Rate Period shall be calculated on each Indexed Floating Rate Determination Date by the Calculation Agent.

For each Series, the Calculation Agent shall calculate the Indexed Floating Rate for Indexed Floating Rate Bonds and shall furnish such Indexed Floating Rate to the Trustee (if the Trustee is not also the Calculation Agent), the Bondholder Representatives (or their designees) and the Commission by Electronic Means by the close of business on each Indexed Floating Rate Determination Date. The Trustee shall, no later than the third Business Day preceding each Interest Payment Date, notify the Commission and the Bondholder Representatives in writing of the total amount of interest payable with respect to Indexed Floating Rate Bonds on such Interest Payment Date.

The determinations of the initial Indexed Floating Rate and all subsequent Indexed Floating Rates shall be conclusive and binding, absent manifest error, upon the Commission, the Trustee and the Holders.

(iv) Indexed Floating Rate Continuation. With respect to any Indexed Floating Rate Period other than the Initial Indexed Floating Rate Period, on any date a Series of 2011C Bonds in an Indexed Floating Rate Period is subject to optional redemption, or as of the Purchase Date of such 2011C Bonds in an Indexed Floating Rate Period, unless the Commission has given a Conversion Notice with respect to the Conversion of such Series to another Interest Rate Determination Method pursuant to Section 2.4(e), the Commission may establish a new Indexed Floating Rate Period for the such Series, with such right to be exercised by delivery of a written notice of a Commission Representative (an "Indexed Floating Rate Continuation Notice") to the Trustee and the Calculation Agent (if the Trustee is not the Calculation Agent) no less than twenty (20) days prior to the effective date of the new Indexed Floating Rate Period. The Indexed Floating Rate Continuation Notice shall contain the information required by Section 2.4(e)(ii), and shall be accompanied by a letter of Bond Counsel to the effect that Bond Counsel expects to be able to deliver a Favorable Opinion of Bond Counsel on the Indexed Floating Rate Conversion Date.

The first day of such new Indexed Floating Rate Period shall be a Purchase Date on which the Series 2011C Bonds of such Series are subject to optional redemption or to mandatory tender pursuant to the applicable provisions of Section 8.4. Each 2011C Bond of such Series shall be subject to mandatory tender on the first day of such new Indexed Floating Rate Period pursuant to the applicable provisions of Section 8.4 for purchase at its Purchase Price. No new Indexed Floating Rate Period shall become effective unless the Favorable Opinion of Bond Counsel referred to above is delivered on (and as of) the first day of the new Indexed Floating Rate Period and unless all Outstanding 2011C Bonds of such Series are successfully remarketed in the new Indexed Floating Rate Period at the new Indexed Floating Rate on the Indexed Floating Rate Conversion Date.

(v) Notice to Holders. Upon receipt of an Indexed Floating Rate Continuation Notice from a Commission Representative, as soon as possible, but in any event not less than fifteen (15) days prior to the first day of the proposed Indexed Floating Rate Period, the Trustee shall give notice by first-class mail or by electronic means via the MSRB

EMMA system to the Holders of the Series 2011C Bonds of such Series and the Calculation Agent (if the Trustee is not the Calculation Agent) which notice shall (1) state in substance that a new Indexed Floating Rate Period is to be established for such Series on the applicable Indexed Floating Rate Conversion Date if the conditions specified in this Supplemental Indenture No. 22 are satisfied on or before such date, (2) state that a new Indexed Floating Rate Period shall not be established unless the Favorable Opinion of Bond Counsel referred to above is delivered to the Trustee on (and as of) the first day of the new Indexed Floating Rate Period and all the 2011C Bonds of such Series are successfully remarketed in the new Indexed Floating Rate Period and at the new Indexed Floating Rate on the first day thereof, and (3) contain the additional information required by Section 2.4(e)(ii)..

(vi) End of Indexed Floating Rate. With respect to each Series of 2011C Bonds in the Initial Indexed Floating Rate Period, all 2011C Bonds of such Series shall be subject to mandatory tender for purchase on the Special Mandatory Tender Date as provided in Section 8.4. In the event that all 2011C Bonds of such Series are not paid or successfully remarketed on such Special Mandatory Tender Date, then such unremarketed Indexed Floating Rate Bonds shall be subject to mandatory redemption as provided in Section 8.4.

With respect to any Indexed Floating Rate Period other than the Initial Indexed Floating Rate Period, in the event the Commission has not given an Indexed Floating Rate Continuation Notice or a Conversion Notice with respect to the applicable Series 2011C Bonds bearing interest at an Indexed Floating Rate at the time required by Section 2.3(i)(iv) or Section 2.4(e), as applicable, or if the conditions to the effectiveness of a new Indexed Floating Rate Period and new Indexed Floating Rate set forth in Section 2.3(i)(iv) are not satisfied, then on the day following the last day of the current Indexed Floating Rate Period, a new Indexed Floating Rate Period of seven (7) days shall automatically commence for the 2011C Bonds of such Series and the 2011C Bonds of such Series shall bear interest at the Maximum Rate until they are successfully remarketed.

(j) Default Rate. While there exists a Payment Default with respect to a Series, the interest rate on the 2011C Bonds of such Series, other than 2011C Bonds then bearing interest at a Fixed Rate, will be the Maximum Rate. Upon the occurrence of a Bond Purchase Agreement Redemption with respect to the Series 2011C-1 Bonds or Supplemental Covenants Agreement Event of Default with respect to the Series 2011C-2 Bonds, such Series of Bonds shall bear interest at the Maximum Rate with respect to the Series 2011C-1 Bonds and at the Default Rate with respect to Series 2011C-2 Bonds as described in Section 2.3(i)(i).

(k) Bank Bonds. Notwithstanding the above provisions of this Section, Bank Bonds shall bear interest at the lesser of the Bank Rate or the Maximum Rate. The Bank Rate shall be supplied in writing to the Trustee by the Bank. If the Remarketing Agent has notified the Owner of any Bank Bonds that it has located a purchaser for some or all of that Owner's Bank Bonds, that Owner must deliver those Bank Bonds to the Tender Agent for purchase. Upon such delivery and receipt of the Purchase Price by that Owner from the proceeds of remarketing such 2011C Bonds, the Tender Agent shall notify the Trustee that the 2011C Bonds so purchased and remarketed are no longer "Bank Bonds" and the Trustee shall note on the registration books for

the 2011C Bonds that those 2011C Bonds are not Bank Bonds and shall register them in the name of the new Owner and shall receive confirmation from the Bank that such 2011C Bonds are subject to purchase under the Letter of Credit. Notwithstanding anything herein to the contrary, only the Bank or any Bank Holder may receive interest on any 2011C Bonds at the Bank Rate.

2.4 Conversions Between Rate Periods.

The Commission may elect to convert the 2011C Bonds of a Series from one type of Interest Rate Period (other than from a Fixed Rate Period) to another type of Interest Rate Period, as follows:

(a) Notices by Commission. The Commission shall give written notice of any proposed conversion to the Trustee not fewer than seven Business Days (fourteen Business Days in the case of a proposed conversion to a Short Term Rate Period or a Long Term Rate Period) prior to the date the notice to affected Owners must be given pursuant to Section 2.4(b) of the proposed conversion.

(b) Notices by Trustee. Upon receipt of the notice specified in Section 2.4(a) from the Commission, the Trustee shall promptly give written notice of the proposed conversion to the affected Owners, the Tender Agent, the Remarketing Agent, the Bank and any rating service that has notified the Trustee in writing that it has established a rating for the 2011C Bonds of the applicable Series. The Trustee shall give notice (which may be combined, where applicable, with any other notice required hereunder), by first class mail or by electronic means via the MSRB EMMA system of the proposed conversion to the affected Owners of 2011C Bonds not less than 10 days before the proposed Conversion Date. Such notice shall state:

(i) the proposed Conversion Date and the proposed Interest Rate Period to be effective on such date;

(ii) that such 2011C Bonds of the applicable Series will be subject to mandatory tender for purchase on the Conversion Date;

(iii) the conditions, if any, to the conversion pursuant to Subsection (c), and the consequences of such conditions not being fulfilled pursuant to Subsection (d);

(iv) if the 2011C Bonds are in certificated form, information with respect to required delivery of 2011C Bond certificates and payment of the Purchase Price; and

(v) the new Interest Payment Dates and Record Dates.

(c) Conditions to Conversion. No conversion of Interest Rate Periods will become effective unless:

(i) If the conversion is from a Short-Term Rate Period, (1) the Trustee has received, prior to the date on which notice of conversion is required to be given to Owners, the written confirmation from the Remarketing Agent that it has not established and will not establish any Short-Term Interest Periods extending beyond the day before

the Conversion Date and (2) the Conversion Date shall be the Interest Payment Date for such Short-Term Rate Bonds; and

(ii) If the conversion is either (A) from a Short-Term Rate Period, Monthly Rate Period, Weekly Rate Period or a Daily Rate Period to a Long-Term Rate Period or a Fixed Rate Period, or (B) from a Long-Term Rate Period to a Short-Term Rate Period, a Monthly Rate Period, a Weekly Rate Period or a Daily Rate Period, the Trustee, and the Commission has been provided, no later than one day before the Conversion Date, with a Favorable Opinion of Bond Counsel, which opinion shall be confirmed in writing on the Conversion Date; and

(iii) If the conversion is to a Daily Rate Period, a Weekly Rate Period, a Short-Term Rate Period or a Long-Term Rate Period, (A) the Commission shall have appointed (1) a Remarketing Agent for the 2011C Bonds in accordance with Section 9.1 and (2) a Qualified Financial Institution or the Commission to act as Bank in accordance with Section 9.2(a) or other form of credit enhancement acceptable to the Commission; (B) the Commission shall have furnished to the Trustee (1) an executed Remarketing Agreement whereby the Remarketing Agent agrees to perform the duties of the Remarketing Agent under this Supplemental Indenture No. 22, (2) a Letter of Credit in form and substance reasonably satisfactory to the Remarketing Agent, in an amount equal to the aggregate principal amount of applicable Outstanding 2011C Bonds, plus an amount equal to at least 52 days interest (52 days interest if the conversion is to Long-Term Rate Bonds) or, if the conversion is to Short-Term Rate Bonds, the maximum number of days of a Short-Term Interest Period, as provided in Section 2.3(g)(i), plus five days, on all applicable 2011C Bonds at the Maximum Rate for the 2011C Bonds other than Bank Bonds, under which the Bank is required to purchase 2011C Bonds tendered for purchase in accordance with this Supplemental Indenture No. 22, together with an Opinion of Counsel, to the effect that the Letter of Credit has been duly authorized, executed and delivered by the Bank, is a valid and binding and enforceable obligation of the Bank (subject as to enforcement to customary exceptions regarding bankruptcy, insolvency and similar laws and principles of equity), and that the Letter of Credit will not require any 2011C Bonds (or any securities evidenced thereby) to be registered under the Securities Act of 1933, as amended, or this Supplemental Indenture No. 22 to be qualified under the Trust Indenture Act of 1939, as amended; and

(iv) RESERVED

(v) if the conversion is to a Fixed Rate Period, the Commission shall notify in writing the Trustee of its irrevocable election to effect such a conversion, specifying in the notice the Conversion Date on which the Fixed Rate Period is to commence, and delivering with such notice a firm underwriting or purchase contract from a recognized firm of bond underwriters or recognized institutional investors, which can be the Remarketing Agent, to underwrite or purchase all of the Bonds at a total price for such Bonds taken as a whole which shall be at 100% or more of the principal amount thereof at an agreed upon interest rate which such underwriter or institutional investor certifies is the lowest rate that will permit the applicable 2011C Bonds to be sold on the first day of the Fixed Rate Period and containing a mandatory sinking fund redemption schedule

prepared in accordance with Section 2.3(h). Upon receipt by the Trustee of such notice from the Commission, the Trustee shall promptly cause the same information contained in such notice to be delivered to the Tender Agent, the Remarketing Agent, the Bank and any rating service that has notified the Trustee in writing that it has established a rating for the applicable 2011C Bonds; and

(vi) In the case of any conversion to a Long Term Rate Period, the underwritten total price of such 2011C Bonds taken as a whole for such Long Term Rate Period shall be at 100% or more of the principal amount of the 2011C Bonds being sold as is the case in an underwritten sale to purchasers in a Fixed Rate Period as provided in Section 2.4(c)(v); and

(vii) In the case of a conversion of to a Long Term Rate Period, Fixed Rate Period or any other period not covered by the then existing applicable Letter of Credit, no drawings shall be made on such Letter of Credit after the completion of such conversion; and

(viii) The conversion shall not occur unless the Conversion Date is a date on which the 2011C Bonds being converted could be redeemed without premium pursuant to Section 7.3(a); and

The Certificate of Authentication on any 2011C Bond shall be deemed to have been duly executed if signed by any authorized officer or signatory of the Trustee, but it shall not be necessary that the same officer or signatory sign the Certificate of Authentication on all of the 2011C Bonds that may be issued hereunder at any one time.

3.4 Temporary 2011C Bonds.

(a) Until definitive 2011C Bonds are ready for delivery, the Commission may execute, and upon the Written Request of the Commission, the Trustee shall authenticate and deliver, in lieu of definitive 2011C Bonds, but subject to the same limitations and conditions as definitive 2011C Bonds, temporary printed, engraved, lithographed or typewritten 2011C Bonds.

In the event any such 2011C Bond shall have matured or been selected for redemption, instead of issuing a substitute 2011C Bond the Trustee in its discretion may, instead of issuing a new 2011C Bond, pay, with funds available under this Supplemental Indenture No. 22 for such purpose, such Bond without surrender thereof (except in the case of a mutilated 2011C Bond). Upon the issuance of any substitute 2011C Bond, the Commission and the Trustee may require the payment of an amount by the Bondowner sufficient to reimburse the Commission and the Trustee for any tax or other governmental charge that may be imposed in relation thereto and any other reasonable fees and expenses incurred in connection therewith.

It is anticipated that during the term of the 2011C-1 Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal and Purchase Price of, premium, if any, and interest on, the 2011C-1 Bonds to the Participants until and unless the Trustee authenticates and delivers Replacement 2011C-1 Bonds to the beneficial owners as described in Subsection (b). The 2011C-2 Bonds shall be initially be certificated bonds registered in the names of the Bondowners and shall not initially be registered to the Securities Depository; however, the Commission, with the consent of such Bondowners, may in the future decide to utilize the Securities Depository with respect to the 2011C-2 Bonds.

In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository or its nominee is the Registered Owner of at least one such 2011C Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Trustee, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the Trustee or the Commission are unable to locate a

qualified successor of the Securities Depository in accordance with the following paragraph, then the Trustee shall authenticate and cause delivery of Replacement Bonds to the Commission, as provided herein. The Trustee may rely on information from the Securities Depository and its Participants as to the names, addresses, taxpayer identification numbers of and principal amount held by the beneficial owners of such 2011C Bonds. (c) In the event the Securities Depository resigns or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Commission may appoint a successor Securities Depository provided the Trustee receives written evidence satisfactory to the Trustee with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The 2011C Bonds of each series shall be subject to mandatory sinking fund redemption as set forth in the 2011C Bonds of such series.

7.2 Partial Redemption.

Except as to any Mandatory Sinking Fund Redemption as described above, any partial redemption may be in any order of maturity and in any principal amount within a maturity as designated by the Commission and in the case of any 2011C Bonds subject to mandatory redemption, the Commission shall be entitled to designate whether such payments shall be credited against principal amounts due at maturity or against particular scheduled mandatory redemption obligations with respect to such 2011C Bonds.

7.3 Other Redemption of 2011C Bonds.

(a) **Optional Redemption.** The 2011C Bonds are subject to optional redemption as follows:

(i) Subject in all cases to the provisions of the Bond Purchase Agreement (C-1) or the Supplemental Covenants Agreement (C-2), as applicable, Indexed Floating Rate Bonds of a Series are subject to redemption, at the option of the Commission, in whole or in part, in Authorized Denominations and in such amounts as may be specified by the Commission on any Business Day at a Redemption Price equal to the principal amount thereof, plus accrued interest, if any, without premium. Notwithstanding the optional redemption provisions set forth above, on or prior to the effective date of an Indexed Floating Rate Period other than the Initial Indexed Floating Rate Period, the Commission may specify alternate redemption provisions for the 2011C Bonds of the Series in the Indexed Floating Rate Period pursuant to Section 2.4(e)(i) if the Commission obtains a Favorable Opinion of Bond Counsel.

(ii) Daily Rate Bonds, Weekly Rate Bonds and Monthly Rate Bonds of a Series are subject to redemption and payment prior to maturity, at the option of the Commission upon written direction from the Commission, in whole or in part on any date at the redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date.

(iii) Short-Term Rate Bonds of a Series are subject to redemption and payment prior to maturity, at the option of the Commission in whole or in part on any Interest Payment Date at the redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date.

(iv) Long-Term Rate Bonds of a Series are subject to redemption in whole or in part, on the day after the end of each Long-Term Interest Period, at the option of the Commission, at a redemption price equal to 100% of the principal amount redeemed, plus interest accrued to the redemption date.

(v) Long-Term Rate Bonds and Fixed Rate Bonds of a Series are subject to redemption and payment prior to maturity, at the option of the Commission, on and after the no-call period shown below, in whole or in part at any time at the respective redemption prices set out below, plus accrued interest thereon to the redemption date (unless an alternate optional redemption schedule is determined upon receipt of a Favorable Opinion of Bond Counsel):

<u>Fixed Rate Period or Long-Term Interest Period</u>	<u>No-Call Period</u>	<u>Premium</u>
Equal to or greater than 14 years	10 years	0% at all times
Equal to or greater than 10 years but less than 14 years	8 years	0% at all times
Equal to or greater than 7 years but less than 10 years	5 years	0% at all times
Equal to or greater than 4 years but less than 7 years	3 years	0% at all times
Equal to or greater than 2 years but less than 4 years	1 year	0% at all times
Greater than 1 year but less than 2 years	1 year	0% at all times
One year	non-callable	

Notwithstanding the foregoing, if before the first day of a Long-Term Interest Period or Fixed Rate Period an alternate optional redemption schedule is delivered by the Commission to the Trustee setting forth redemption dates and redemption prices during that Fixed Rate Period or Long-Term Interest Period together with a certificate of the Remarketing Agent certifying that

the redemption terms set forth therein are advantageous for the Remarketing Agent to remarket those 2011C Bonds for that period and a Favorable Opinion of Bond Counsel, then the 2011C Bonds shall be subject to redemption during that period in accordance with that optional redemption schedule rather than the schedule set forth above.

(b) Redemption of Indexed Floating Rate Bonds in Initial Indexed Floating Rate Period and Accelerated Principal Period. During the Initial Indexed Floating Rate Period, upon the occurrence of a Bond Purchase Agreement Redemption Event or a Supplemental Covenants Agreement Event of Default, all Indexed Floating Rate Bonds of the applicable Series are subject to immediate mandatory redemption at a Redemption Price equal to the principal amount thereof plus accrued interest thereon to the date of redemption specified in a written notice given by the respective Bondholder Representative, as applicable, to the Trustee and the Commission pursuant to and in accordance with the Bond Purchase Agreement (C-1) or Supplemental Covenants Agreement (C-2), as applicable. In addition, during the Accelerated Principal Period, all Indexed Floating Rate Bonds of a Series are subject to mandatory redemption in accordance with the terms of the Bond Purchase Agreement (C-1) or Supplemental Covenants Agreement (C-2), as applicable. During the Accelerated Principal Period (C-1), the 2011C-1 Bonds shall bear interest at the Accelerated Principal Period Interest Rate (C-1). During the Accelerated Principal Period (C-2), the 2011C-2 Bonds shall bear interest at the Accelerated Principal Period Interest Rate (C-2). With respect to the 2011C-1 Bonds, at least 120 days prior to the Special Mandatory Tender Date, the Commission may request that the Bondowners hold the Bonds for a subsequent Indexed Floating Rate Period and at least 30 days of receipt all information necessary, in the Bondholder Representative's judgment, to permit the Bondholder Representative to make an informed credit decision, the Bondholder Representative, in its sole and absolute discretion, shall either notify the Commission that the 2011C-1 Bondowners have agreed to hold the Bonds for a subsequent Indexed Floating Rate period (for a tenor and Applicable Spread (C-1) which will allow the 2011C-1 Bonds to be remarketed at par), provided that if the Bondholder Representative fails to so notify the Commission, the Bondholder Representative shall have deemed to have rejected such request. With respect to the 2011C-2 Bonds, at least 120 days prior to the Special Mandatory Tender Date, the Commission may request that the Bondowners hold the Bonds for a subsequent Indexed Floating Rate Period and at least 30 days of receipt all information necessary, in the Bondholder Representative's judgment, to permit the Bondholder Representative to make an informed credit decision, the Bondholder Representative, in its sole and absolute discretion, shall either notify the Commission that the 2011C-2 Bondowners have agreed to hold the Bonds for a subsequent Indexed Floating Rate period (for a tenor and Applicable Spread (C-2) which will allow the 2011C-2 Bonds to be remarketed at par), provided that if the Bondholder Representative fails to so notify the Commission, the Bondholder Representative shall have deemed to have rejected such request.

(c) Credits Against Scheduled Mandatory Redemption Obligations. At the option of the Commission, to be exercised by delivery of a Certificate of Commission Representative to the Trustee on or before the 45th day next preceding any scheduled mandatory redemption date, it may (1) deliver to the Trustee for cancellation 2011C Bonds subject to scheduled mandatory redemption on that date or portions thereof in Authorized Denominations or (2) specify a principal amount of 2011C Bonds or portions thereof in Authorized Denominations which prior to said date have been purchased or redeemed (otherwise than

pursuant to this Section) and canceled by the Trustee at the request of the Commission and not theretofore applied as a credit against any scheduled mandatory redemption payment. Each 2011C Bond or portion thereof so delivered or previously redeemed shall be credited by the Trustee at the principal amount thereof against the obligation of the Commission to redeem 2011C Bonds on the scheduled mandatory redemption date or dates designated in writing to the Trustee by the Commission Representative occurring at least 45 days after delivery of such designation to the Trustee, provided that if no such designation is made, such credit shall not be credited against such obligation.

7.4 Selection of 2011C Bonds to be Redeemed.

(a) 2011C Bonds shall be redeemed only in Authorized Denominations. If less than all of the 2011C Bonds are to be redeemed and paid prior to maturity, such 2011C Bonds shall be selected by the Trustee by such method as the Trustee shall deem fair and appropriate; provided that Bank Bonds and Commission Bonds, in that order, shall be redeemed before other 2011C Bonds are redeemed.

(b) In the case of a partial redemption of 2011C Bonds when 2011C Bonds of a series of denominations greater than the minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption each principal amount equal to the minimum Authorized Denomination shall be treated as though it was a separate 2011C Bond of the minimum Authorized Denomination. If it is determined that a portion, but not all, of the principal amount represented by any 2011C Bond is to be selected for redemption, then upon notice of intention to redeem such portion, the Owner of such 2011C Bond or such Owner's attorney or legal representative shall forthwith present and surrender such 2011C Bond to the Trustee (1) for payment of the redemption price (including the premium, if any, and interest to the date fixed for redemption) of the principal amount called for redemption, and (2) for exchange, without charge to the Owner thereof for a new 2011C Bond or 2011C Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Owner of any such 2011C Bond shall fail to present such 2011C Bond to the Trustee for payment and exchange as aforesaid, said 2011C Bond shall, nevertheless, become due and payable on the redemption date to the extent of the principal amount called for redemption (and to that extent only).

(c) The Trustee shall call 2011C Bonds for redemption and payment as herein provided upon receipt by the Trustee at least 45 days prior to the redemption date of a Written Request of the Commission. Such request shall specify the principal amount of 2011C Bonds and their maturities so to be called for redemption, the applicable redemption price or prices and the provision or provisions above referred to pursuant to which such 2011C Bonds are to be called for redemption. The foregoing provisions of this paragraph shall not apply in the case of any mandatory redemption of 2011C Bonds pursuant to Section 7.1, and 2011C Bonds, subject to the exercise by the Commission of its rights under Section 7.1, shall be called by the Trustee for redemption pursuant to such mandatory redemption requirements without the necessity of any action by the Commission and whether or not the Trustee shall hold in the Debt Service Fund moneys available and sufficient to effect the required redemption.

7.5 Notice and Effect of Call for Redemption.

Official notice of any such redemption shall be given by the Trustee on behalf of the Commission by sending a copy of an official redemption notice by first class mail or by electronic means via the MSRB EMMA system at least 30 days (or, in the case of 2011C Bonds bearing interest as Indexed Floating Rate Bonds, Daily Rate Bonds, Weekly Rate Bonds, Monthly Rate Bonds or Short-Term Rate Bonds, at least 15 days) and not more than 60 days prior to the redemption date to each Registered Owner of the 2011C Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Trustee.

All official notices of redemption shall be dated and shall state:

- (a) the redemption date;
- (b) the redemption price;
- (c) if less than all Outstanding 2011C Bonds of a Series are to be redeemed, the identification number and the respective principal amounts of the 2011C Bonds to be redeemed;
- (d) that on the redemption date the redemption price will become due and payable upon each such 2011C Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date; and
- (e) the place where such 2011C Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the Principal Office of the Trustee for the payment of 2011C Bonds.

Any notice of redemption of any 2011C Bonds pursuant to this Section 7.5 may specify that the redemption is contingent upon the deposit of moneys with the Trustee in an amount sufficient to pay the redemption price of all the 2011C Bonds or portions of 2011C Bonds which are to be redeemed on that date.

Official notice of redemption having been given as aforesaid, the 2011C Bonds or portions of 2011C Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Commission shall default in the payment of the redemption price) such 2011C Bonds or portions of 2011C Bonds shall cease to bear interest. Upon surrender of such 2011C Bonds for redemption in accordance with said notice, such 2011C Bonds shall be paid by the Trustee at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any 2011C Bond, there shall be prepared for the Registered Owner a new 2011C Bond or 2011C Bonds of the same Series and maturity in the amount of the unpaid principal. All 2011C Bonds which have been redeemed shall be canceled and destroyed by the Trustee in accordance with Section 3.6 hereof and shall not be reissued. A second notice of redemption shall be given within 60 days after the redemption date in the manner required herein to the Bondowners of redeemed Bonds which have not been presented for payment within 30 days after the redemption date.

In addition to the foregoing notice, further notice shall be given by the Trustee on behalf of the Commission as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed:

Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (i) the CUSIP numbers of all 2011C Bonds being redeemed (provided that the notice may contain the Trustee's standard disclaimer as to the correctness and use of the CUSIP numbers); (ii) the Series and the date of issue of the 2011C Bonds as originally issued; (iii) the rate of interest borne by each 2011C Bond being redeemed; (iv) the maturity date of each 2011C Bond being redeemed; and (v) any other descriptive information needed to identify accurately the 2011C Bonds being redeemed.

Upon the payment of the redemption price of 2011C Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the 2011C Bonds being redeemed with the proceeds of such check or other transfer.

For so long as the Securities Depository is effecting book-entry transfers of the 2011C Bonds, the Trustee shall provide the notices specified in this Section only to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the beneficial owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a beneficial owner of a 2011C Bond (having been sent notice from the Trustee, a Participant or otherwise) to notify the beneficial owner of the 2011C Bond so affected, shall not affect the validity of the redemption of such 2011C Bond.

Failure to give any notice to any Owner, or any defect therein, shall not affect the validity of any proceedings for the redemption of any other 2011C Bonds. Any notice mailed or sent by electronic means via the MSRB EMMA system shall be conclusively presumed to have been duly given and shall become effective upon mailing or sending, whether or not any Owner receives the notice.

ARTICLE 8 TENDERS AND MANDATORY PURCHASE OF 2011C BONDS

8.1 Tender Agent

The Commission hereby appoints the Trustee as Tender Agent for the 2011C Bonds. At all times that any 2011C Bonds are Indexed Floating Rate Bonds, Daily Rate Bonds, Weekly Rate Bonds, Monthly Rate Bonds, Short-Term Rate Bonds or Long-Term Rate Bonds there shall be a Tender Agent. The Tender Agent shall be a commercial bank, national association or trust company organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, subject to supervision or examination by federal or state Commission, and authorized to perform all of the duties imposed upon it by this Supplemental Indenture No. 22, and having a combined capital and surplus of at least \$75,000,000. If such corporation or association publishes reports of condition at least annually, pursuant to law or to the requirements of such supervising or

examining Commission, then for the purposes of this Section, the combined capital and surplus of such corporation or association shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Tender Agent shall perform the duties imposed upon the Tender Agent by this Supplemental Indenture No. 22, but only upon the terms and conditions set forth herein, including the following:

(a) hold all 2011C Bonds delivered to it hereunder in trust for the benefit of the respective Owners which shall have so delivered such 2011C Bonds until moneys representing the Purchase Price of such 2011C Bonds shall have been delivered to or for the account of or to the order of such Owners;

(b) hold all moneys delivered to it hereunder for the purchase of 2011C Bonds in trust solely for the benefit of the Person which shall have so delivered such moneys until the 2011C Bonds purchased with such moneys shall have been delivered to or for the account of such Person;

(c) hold all moneys, other than proceeds of payments under the Letter of Credit, delivered to it hereunder for the purchase of 2011C Bonds as agent of, and in escrow for the exclusive benefit of, the Person which shall have so delivered such moneys until the 2011C Bonds purchased with such moneys shall have been delivered to or for the account of such Person;

(d) hold all moneys delivered to it hereunder from payments under the Letter of Credit for the purchase of 2011C Bonds as agent of, and in escrow for the exclusive benefit of, the Bondowners who shall deliver 2011C Bonds to it for purchase until the 2011C Bonds purchased with such moneys shall have been delivered to or for the account of the Bank;

(e) keep such books and records as shall be consistent with customary corporate trust industry practice that shall accurately reflect the transactions hereunder and to make such books and records available for inspection by the Commission, the Trustee, the Remarketing Agent, and the Bank during normal business hours upon reasonable prior written notice;

(f) hold all Bank Bonds delivered to it hereunder as agent of, and in escrow for the benefit of, the Bank;

(g) deliver any notices required by this Supplemental Indenture No. 22 to be delivered by the Tender Agent; and

(h) perform all other duties of the Tender Agent under this Supplemental Indenture No. 22.

The Tender Agent shall be entitled to reasonable compensation for its services as Tender Agent as agreed upon with the Commission.

The Tender Agent at any time may resign and be discharged of the duties and obligations imposed upon the Tender Agent by this Supplemental Indenture No. 22, by giving written notice thereof to the Commission, the Trustee, the Remarketing Agent, and the Bank at least 30 days prior to the effective date of such resignation. The Tender Agent shall resign immediately at any time that it shall cease to be eligible in accordance with the provisions of this Section.

The Tender Agent may be removed at any time by the Commission by an instrument in writing delivered to the Tender Agent, the Commission, the Trustee, the Remarketing Agent and the Bank.

If the Tender Agent shall resign, be removed or become incapable of acting for any reason, the Trustee, with the written consent of the Commission and the Bank (which consents shall not be unreasonably withheld), shall promptly appoint a successor Tender Agent by an instrument in writing delivered to the Commission, the Remarketing Agent, the Bank, the applicable Bondholder Representatives and the retiring Tender Agent. Every such successor Tender Agent appointed pursuant to the provisions of this Section shall meet the eligibility requirements of this Section. No successor Tender Agent shall accept its appointment unless at the time of such acceptance such successor Tender Agent shall be qualified and eligible under this Article.

Every successor Tender Agent appointed hereunder shall execute and deliver to the Commission, the Trustee, the Remarketing Agent, the Bank, the applicable Bondholder Representatives and the retiring Tender Agent an instrument accepting such appointment, designating its Principal Office and accepting the duties and obligations imposed upon it hereunder. No resignation or removal of the Tender Agent and no appointment of a successor Tender Agent pursuant to this Section shall become effective until the acceptance of appointment by the successor Tender Agent hereunder.

The Trustee shall give notice of each resignation and each removal of the Tender Agent and each appointment of a successor Tender Agent by sending notice of such event by first class mail, or by electronic means using the MSRB EMMA system within 30 days of the resignation or removal of the Tender Agent or the appointment of a successor Tender Agent, to the Commission, the Bank, the Remarketing Agent, the applicable Bondholder Representatives, each rating service at the time providing a rating for the 2011C Bonds and the Owners of 2011C Bonds as their names and addresses appear in the Bond Register maintained by the Trustee. Each notice shall include the name of the successor Tender Agent and the address of its principal corporate trust office.

In the event of the resignation or removal of the Tender Agent, and the appointment of a successor Tender Agent, the retiring Tender Agent shall pay over, assign and deliver any moneys and 2011C Bonds held by it in such capacity to its successor.

In the event that the Tender Agent shall resign or be removed, or be dissolved, or if the property or affairs of the Tender Agent shall be taken under the control of any state or federal court or administrative body because of bankruptcy or insolvency, or for any other reason, and the Trustee shall not have appointed a successor as Tender Agent, the Trustee, notwithstanding the provisions of the third paragraph of this Section, shall ipso facto be deemed to be the Tender

Agent for all purposes of this Supplemental Indenture No. 22 until the appointment by the Trustee of the successor Tender Agent.

Any corporation or association into which the Tender Agent in its individual capacity may be merged or converted or with which it may be consolidated, or any merger, conversion or consolidation to which the Tender Agent in its individual capacity shall be a party, or any corporation or association to which all or substantially all the corporate trust business of the Tender Agent in its individual capacity may be sold or otherwise transferred, shall be the Tender Agent under this Supplemental Indenture No. 22 without further act.

8.2 Optional Tenders During Daily Rate Periods, Weekly Rate Periods and Monthly Rate Periods.

(a) Owners of Daily Rate Bonds, Weekly Rate Bonds or Monthly Rate Bonds may elect to have their Daily Rate Bonds, Weekly Rate Bonds or Monthly Rate Bonds (other than Bank Bonds), or portions thereof in Authorized Denominations, purchased at the Purchase Price on the following Purchase Dates and upon the giving of the following telephonic, telecopy or written notices meeting the further requirements set forth in Subsection (b):

(i) Daily Rate Bonds (other than Bank Bonds) may be tendered for purchase at the Purchase Price payable in immediately available funds on any Business Day upon telephonic, telecopy or written notice of tender to the Tender Agent and the Remarketing Agent not later than 11:00 a.m. on the designated Purchase Date.

(ii) Weekly Rate Bonds or Monthly Rate Bonds (other than Bank Bonds) may be tendered for purchase at the Purchase Price payable in immediately available funds on any Business Day upon delivery of a written notice of tender to the Tender Agent and the Remarketing Agent not later than 5:00 p.m. on a Business Day not fewer than seven days prior to the designated Purchase Date.

(b) Each notice of tender:

(i) shall, in case of a written notice, be delivered to the Tender Agent and the Remarketing Agent at their Principal Offices and be in form satisfactory to the Tender Agent and the Remarketing Agent;

(ii) shall state, whether delivered in writing or by telephone or telecopier, (A) the principal amount of the Daily Rate Bond, Weekly Rate Bond or Monthly Rate Bond to which the notice relates and the CUSIP number of that Bond, (B) that the Owner irrevocably demands purchase of that 2011C Bond or a specified portion thereof in an Authorized Denomination, (C) the Purchase Date on which that 2011C Bond or portion thereof is to be purchased and (D) payment instructions with respect to the Purchase Price; and

(iii) shall automatically constitute, whether delivered in writing or by telephone or telecopier, (A) an irrevocable offer to sell the 2011C Bond (or portion thereof) to which such notice relates on the Purchase Date to any purchaser selected by the Remarketing Agent (or to the applicable Bank in the case of purchases made with

funds paid under the applicable Letter of Credit), at a price equal to the Purchase Price, (B) an irrevocable authorization and instruction to the Tender Agent to effect transfer of such 2011C Bond (or portion thereof) upon receipt by the Tender Agent of funds sufficient to pay the Purchase Price on the Purchase Date, (C) an irrevocable authorization and instruction to the Tender Agent to effect the exchange of the 2011C Bond to be purchased in whole or in part for other 2011C Bonds in an equal aggregate principal amount so as to facilitate the sale of that 2011C Bond (or portion thereof to be purchased), (D) an acknowledgment that such Owner will have no further rights with respect to that 2011C Bond (or portion thereof) upon deposit of an amount equal to the Purchase Price thereof with the Tender Agent on the Purchase Date, except for the right of such Owner to receive the Purchase Price upon surrender of that 2011C Bond to the Tender Agent, and (E) an agreement of such Owner to deliver such Daily Rate Bonds, Weekly Rate Bonds or Monthly Rate Bonds, with all necessary endorsements for transfer and signature guarantees, to the Tender Agent at its Principal Office not later than 1:00 p.m. on the Purchase Date.

The determination of the Tender Agent and the Remarketing Agent as to whether a notice of tender has been properly delivered pursuant to the foregoing shall be conclusive and binding upon the Owner. The Tender Agent or the Remarketing Agent may waive any irregularity or nonconformity in any notice of tender.

(c) The right of Bondowners to tender Daily Rate Bonds, Weekly Rate Bonds or Monthly Rate Bonds for purchase pursuant to this Section shall terminate upon the earliest of (i) the fifth day next preceding the Expiration Date (or unless on or prior to the fifth day next preceding the Expiration Date, the Expiration Date is extended), (ii) a Conversion Date for conversion to an Interest Rate Period other than a Daily Rate Period, a Weekly Rate Period or a Monthly Rate Period and (iii) the Termination Date. The right of Bondowners to tender Daily Rate Bonds, Weekly Rate Bonds or Monthly Rate Bonds for purchase pursuant to this Section may be terminated or suspended under the circumstances described in the applicable Letter of Credit.

(d) Notwithstanding anything to the contrary herein, all Daily Rate Bonds, Weekly Rate Bonds or Monthly Rate Bonds as to which a written notice specifying the Purchase Date has been delivered pursuant to this Section (and which have not been tendered to the Tender Agent) shall be deemed tendered on the Purchase Date specified. From and after the specified Purchase Date of a 2011C Bond or 2011C Bonds tendered to the Tender Agent or deemed tendered pursuant to this Section, the former Owner of such a 2011C Bond shall be entitled solely to the payment of the Purchase Price of 2011C Bond tendered or deemed tendered which Purchase Price shall be payable only as set forth in Section 8.4.

(e) The Tender Agent shall promptly return any notice of tender delivered pursuant to this Section (together with the 2011C Bonds submitted therewith) that is incomplete or improperly completed or not delivered within the times required by this Section to the Person or Persons submitting such notice and 2011C Bonds upon surrender of the receipt, if any, issued therefor.

(f) Notwithstanding the foregoing, if the 2011C Bonds are held in a book-entry form at the Securities Depository, the right to optionally tender Daily Rate Bonds, Weekly Rate Bonds or Monthly Rate Bonds may be exercised by the beneficial owners of those 2011C Bonds. Such right shall be exercised by delivery by a beneficial owner to the Tender Agent and the Remarketing Agent no later than the times specified in Subsection (a) of the notice described in Subsection (b) stating that such beneficial owner will cause its beneficial interest (or portion thereof in an Authorized Denomination) to be tendered, the amount of such interest to be tendered, the date on which such interest will be tendered and the identity of the Participant through which the beneficial owner maintains its interest. Upon delivery of such notice, the beneficial owner must make arrangements to have its beneficial ownership interest in the 2011C Bonds being tendered to the Tender Agent to be transferred on the records of the Securities Depository to the Tender Agent at or prior to 1:00 p.m. on the Purchase Date.

8.3 Purchase of 2011C Bonds by Tender Agent.

(a) The Tender Agent shall establish a special trust fund to be designated the Purchase Fund (the "Purchase Fund"). Within the Purchase Fund, the Tender Agent shall establish four separate accounts to be designated the Remarketing Account, the Letter of Credit Account, the Commission Account and the Undelivered Bond Payment Account. Only the Tender Agent shall have any right of withdrawal from the Purchase Fund; and the Purchase Fund and such right of withdrawal shall be for the sole and exclusive benefit of the Owners of the 2011C Bonds subject to purchase on Purchase Dates (and the Bank to the extent provided in Subsection (e)); and the Commission shall have no legal, beneficial or equitable interest in the Purchase Fund. Amounts in a particular account or subaccount of the Purchase Fund shall not be commingled with amounts in any other account of the Purchase Fund. Any moneys received by the Tender Agent by reason of the remarketing by the Remarketing Agent of 2011C Bonds subject to purchase on a Purchase Date shall be deposited by the Tender Agent in the Remarketing Account of the Purchase Fund and applied by the Tender Agent in accordance with Subsections (d) and (e). Any moneys received by the Tender Agent representing amounts paid by the Bank under the applicable Letter of Credit for the purchase of 2011C Bonds subject to purchase on a Purchase Date shall be deposited by the Tender Agent in the Letter of Credit Account, or applicable subaccount, of the Purchase Fund and applied by the Tender Agent in accordance with Subsections (d) and (e). Any moneys received by the Tender Agent representing amounts paid by the Commission for the purchase of 2011C Bonds subject to purchase on a Purchase Date shall be deposited by the Tender Agent in the Commission Account of the Purchase Fund and applied by the Tender Agent in accordance with Subsections (d) and (e). Moneys shall be transferred to the Undelivered Bond Payment Account from the other accounts of the Purchase Fund or to the Bank in accordance with Subsection (e); and moneys shall be applied from the Undelivered Bond Payment Account in accordance with Subsection (f). The Trustee, the Tender Agent and the Remarketing Agent shall otherwise have no lien on, and no rights with respect to, the funds held in the Purchase Fund or any account or sub-account thereof. Moneys on deposit in the Purchase Fund or any account or subaccount thereof shall be held by the Tender Agent uninvested or, as directed by a Commission Official, invested by the Tender Agent in United States Treasury obligations maturing in sufficient time to make payments as required therefrom.

(b) Upon receipt of any telephonic, telecopy or written notice of tender relating to Daily Rate Bonds, Weekly Rate Bonds or Monthly Rate Bonds, the Tender Agent shall notify the Trustee, the Remarketing Agent, the Commission and the Bank by telephonic notice of the amount of such 2011C Bonds to be tendered pursuant to such notice and the Remarketing Agent shall confirm such telephonic notice by telecopier or other telecommunications device by 10:00 a.m. (11:30 a.m. for Daily Rate Bonds) on the Purchase Date, with the Remarketing Agent including in such telephonic notice and the confirmation thereof the amount of the Purchase Price of such 2011C Bonds and the portion, if any, thereof representing accrued and unpaid interest on such 2011C Bonds to the Purchase Date. Upon receipt of written notice of tender relating to Weekly Rate Bonds or Monthly Rate Bonds, the Tender Agent shall, not later than 5:00 p.m. on the next Business Day, send notice of such tender to the Commission, the Trustee and the Bank by telecopier or other telecommunications device, with the Remarketing Agent including in such notice the amount of the Purchase Price of such 2011C Bonds and the portion, if any, thereof representing accrued and unpaid interest on such 2011C Bonds to the Purchase Date. Simultaneously with the giving (pursuant to Section 8.4) of notice of any mandatory tender of 2011C Bonds pursuant to Section 8.4, the Trustee shall give notice by telephone or telecopier, promptly confirmed by a written notice, to the Tender Agent, the Remarketing Agent, the Bank and the Commission specifying the Purchase Date, the aggregate principal amount and Purchase Price of each 2011C Bonds subject to mandatory tender on such Purchase Date, and the portion, if any, of such Purchase Price representing accrued and unpaid interest on such 2011C Bonds to such Purchase Date.

(c) Not later than 9:30 a.m. (11:00 a.m. for Daily Rate Bonds) on each Purchase Date, the Tender Agent shall determine the amount, if any, by which the Purchase Price of the 2011C Bonds to be purchased on such Purchase Date exceeds the amount of the proceeds of the remarketing of such 2011C Bonds by the Remarketing Agent on deposit in the Remarketing Account of the Purchase Fund at such time, and notify the Trustee of such amount by telephonic notice; and

(i) if an applicable Letter of Credit is in effect on such Purchase Date, then (A) not later than 10:00 a.m. on such Purchase Date, the Trustee shall request (such request being referred to as a "Letter of Credit Request") the purchase by the applicable Bank under the applicable Letter of Credit, of 2011C Bonds having a Purchase Price equal to the amount of such excess (by submitting to the Bank in accordance with the applicable Letter of Credit all documents as are required for such purpose), provided however that the Trustee shall never make such a request for Bank Bonds or Bonds owned by the Commission, and provided however that, as to any Daily Rate Bonds being tendered, the Letter of Credit Request shall be for the purchase in whole of all such Daily Rate Bonds for the entire amount thereof without deduction for remarketing proceeds, and (B) not later than 1:30 p.m. on such Purchase Date, the Trustee shall deposit the proceeds of the Letter of Credit Request received by the Trustee in the Letter of Credit Account of the Purchase Fund; or

(ii) if no applicable Letter of Credit is in effect on such Purchase Date, then (A) not later than 12:00 p.m. on such Purchase Date, the Tender Agent shall notify the Commission that the amount of such excess is the amount payable by the Commission to the Tender Agent for purposes of causing the Tender Agent to purchase, on behalf of the

Commission, Bonds having a Purchase Price equal to such excess, and (B) not later than 2:00 p.m., on such Purchase Date, the Tender Agent shall deposit the amount, if any, received by the Tender Agent from the Commission for such purpose in the Commission Account of the Purchase Fund.

(d) Not later than 2:30 p.m. on each Purchase Date, the Tender Agent shall disburse the Purchase Price of Bonds to be purchased on such Purchase Date to the Owners thereof (upon surrender thereof for payment of such Purchase Price), from the following sources and in the following order of priority:

(i) Moneys on deposit in the Remarketing Account of the Purchase Fund (representing the proceeds of the remarketing by the Remarketing Agent of such 2011C Bonds);

(ii) If an applicable Letter of Credit is in effect on such Purchase Date, moneys on deposit in the Letter of Credit Account of the Purchase Fund (representing the proceeds of a Letter of Credit Request); and

(iii) Moneys on deposit in the Commission Account (representing amounts paid by the Commission to the Tender Agent for the purchase of such 2011C Bonds).

If the funds available (from the sources indicated above) for the purchase of 2011C Bonds subject to purchase on a Purchase Date are insufficient to purchase all of the 2011C Bonds subject to purchase on such Purchase Date (including Undelivered Bonds), then, no purchase of any 2011C Bonds shall occur on such Purchase Date and, on such Purchase Date, the Tender Agent shall (i) return all of such 2011C Bonds that were tendered to the Owners thereof, (ii) return all moneys received by the Tender Agent for the purchase of such 2011C Bonds to the respective Persons that provided such moneys (in the respective amounts in which such moneys were so provided), and (iii) notify the Trustee of the foregoing. If the applicable Letter of Credit is in effect, no such failure to purchase 2011C Bonds shall constitute an Event of Default.

(e) Any moneys remaining in the Remarketing Account, the Letter of Credit Account or the Commission Account and representing (but not exceeding) the Purchase Price of 2011C Bonds subject to purchase on the applicable Purchase Date but not tendered and delivered for purchase on the applicable Purchase Date (following the payments described in Subsection (d)) shall be transferred by the Tender Agent to the Undelivered Bond Payment Account not later than 3:30 p.m. on the applicable Purchase Date (and retained therein, subject to Subsection (a), for application in accordance with Subsection (f)). Any moneys remaining in the Remarketing Account, the Letter of Credit Account and the Commission Account on a Purchase Date (after the payments described in Subsection (d) and the transfer described in the preceding sentence of this Subsection (e)) shall be wire transferred by the Tender Agent, in immediately available funds, prior to the close of business on such Purchase Date, to the Remarketing Agent, the Bank and the Commission, respectively.

(f) Moneys transferred to the Undelivered Bond Payment Account of the Purchase Fund on any Purchase Date shall be applied, on or after such Purchase Date, by the

Tender Agent to pay the Purchase Price of Undelivered Bonds in respect of which they were so transferred, upon the surrender of such 2011C Bonds to the Tender Agent for such purpose.

8.4 Mandatory Purchase of 2011C Bonds.

(a) All of the 2011C Bonds shall be subject to mandatory tender for purchase by the Tender Agent at the Purchase Price on the following Purchase Dates:

- (i) each Conversion Date;
- (ii) the first day after the last day of each Short-Term Interest Period;

- (iv) the fifth day next preceding each Expiration Date (unless, prior to the fifth day next preceding that Expiration Date, that Expiration Date is extended);

- (vi) the seventh day (if such day is not a business day, then the preceding business day) after the receipt by the Commission and the Trustee from the provider of the applicable Letter of Credit of a notice of non-reinstatement of the Interest Component under such Letter of Credit or a notice of default under the Reimbursement Agreement;

(b) 2011C Bonds to be purchased pursuant to Subsection (a) shall be delivered by the Owners thereof to the Tender Agent (together with necessary assignments and endorsements) at or prior to 1:00 p.m. on the applicable Purchase Date.

(c) Any 2011C Bonds to be purchased by the Tender Agent pursuant to this Section that are not delivered for purchase on or prior to the Purchase Date, for which there has been irrevocably deposited in trust with the Trustee or the Tender Agent an amount sufficient to pay the Purchase Price of such 2011C Bonds, shall be deemed to have been delivered to the Tender Agent for purchase, and the Owners of such 2011C Bonds shall not be entitled to any payment (including any interest to accrue on or after the Purchase Date) other than the respective Purchase Prices of such 2011C Bonds, and such 2011C Bonds shall not be entitled to any benefits of this Supplemental Indenture No. 22, except for payment of such Purchase Price out of the moneys deposited for such payment as aforesaid.

(d) In addition to any other requirements set forth in this Supplemental Indenture No. 22, notices of mandatory tender mailed or sent by electronic means via the MSRB EMMA system to Bondowners shall:

(i) specify the proposed Purchase Date and the event which gives rise to the proposed Purchase Date;

(ii) state that such 2011C Bonds shall be subject to mandatory tender for purchase on such date;

(iii) state that Owners may not elect to retain 2011C Bonds subject to mandatory tender;

(iv) state that all 2011C Bonds subject to mandatory tender shall be required to be delivered to the designated corporate trust office of the Tender Agent at or before 1:00 p.m. on the Purchase Date;

(v) state that if the Owner of any 2011C Bond subject to mandatory tender fails to deliver such 2011C Bond to the Tender Agent for purchase on the Purchase Date, and if the Tender Agent is in receipt of funds sufficient to pay the Purchase Price thereof, such 2011C Bond (or portion thereof) shall nevertheless be deemed purchased on the Purchase Date and ownership of such 2011C Bond (or portion thereof) shall be transferred to the purchaser thereof,

(vi) state that any Owner that fails to deliver such 2011C Bond for purchase shall have no further rights thereunder or under this Supplemental Indenture No. 22 except the right to receive the Purchase Price thereof upon presentation and surrender of such 2011C Bond to the Tender Agent and that the Trustee will place a stop transfer against the 2011C Bonds subject to mandatory tender registered in the name of such Owner(s) on the registration books;

(vii) in the case of mandatory tender upon any proposed conversion of 2011C Bonds, state that such conversion and such mandatory tender will not occur if certain events and conditions specified in Section 2.4(c) do not occur or are not satisfied (and summarize those events and conditions);

(viii) in the case of mandatory tender on the fifth day next preceding the Expiration Date, state that such mandatory tender will not occur, if, on or prior to such fifth day, the Expiration Date is extended; and

(ix) in the case of mandatory tender on a Substitution Date, state the information required by Section 9.2.

(e) Notice of mandatory tender by reason of Section 8.4(a)(vi), shall be given no fewer than 5 days prior to the date of mandatory tender. Notice of mandatory tender of 2011C Bonds by reason of a proposed Conversion Date shall be given in accordance with Sections 2.4; and notice of mandatory tender of 2011C Bonds by reason of a proposed Substitution Date shall be given in accordance with Section 9.2. Notice of mandatory tender of 2011C Bonds by reason of other events described in Subsection (a) shall be given by the Trustee no fewer than 10 days prior to the applicable Purchase Date (i) to the Owners of the 2011C Bonds (at their addresses as they appear on the registration books of the Trustee as of the date of such notice) by first-class

mail or sent by electronic means via the MSRB EMMA system, and (ii) to, the Commission, the Remarketing Agent, the Tender Agent and the Bank by first-class mail;

(i) if, following the giving of notice of mandatory tender of 2011C Bonds pursuant to Subsection (a), an event occurs which, in accordance with the terms of this Supplemental Indenture No. 22, causes such mandatory tender not to occur, then (i) the Trustee shall so notify the Owners of the 2011C Bonds (at their addresses as they appear on the registration books of the Trustee on the date of such notice), by first-class mail, or by electronic means via the MSRB EMMA system, as soon as may be practicable after the applicable Purchase Date, and (ii) the Tender Agent shall return to their Owners any 2011C Bonds tendered to the Tender Agent in connection with such mandatory tender of 2011C Bonds.

The number of days notice to Bondholders of a Substitution Date shall be 30 days.

ARTICLE 9 REMARKETING AGENT.

9.1 Appointment of Remarketing Agent.

At the time of a proposed issuance of, or conversion of the 2011C Bonds pursuant to Section 2.4 to Daily Rate Bonds, Weekly Rate Bonds, Monthly Rate Bonds, Short-Term Rate Bonds or Long-Term Rate Bonds, the Commission shall appoint a Remarketing Agent with the prior written consent of the Bank (which consent shall not be unreasonably withheld). Successor Remarketing Agents may be appointed from time to time by the Commission with the prior written consent of the Bank (which consent shall not be unreasonably withheld). The Remarketing Agent shall be a corporation or other legal entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to perform all duties imposed upon the Remarketing Agent by this Supplemental Indenture No. 22, and shall be either (a) a member of the National Association of Securities Dealers, Inc. and registered as a Municipal Securities Dealer under the Securities Exchange Act of 1934, as amended, or (b) a national banking association, commercial bank or trust company. So long as the 2011C Bonds are held in book-entry form at the Securities Depository, the Remarketing Agent must be a Participant in the Securities Depository with respect to the 2011C Bonds.

9.2 Remarketing Agreement.

Each Remarketing Agent appointed in accordance with this Supplemental Indenture No. 22 shall designate its Principal Office and signify its acceptance of the duties and obligations imposed upon it as described herein by a written instrument of acceptance delivered to the Commission, the Trustee, the Tender Agent, the Commission, and the Bank or by executing and delivering a Remarketing Agreement, in either case under which the Remarketing Agent will agree, particularly:

(a) to hold all moneys delivered to it hereunder for the purchase of 2011C Bonds in trust for the exclusive benefit of the Person or Persons that shall have so delivered such moneys until the 2011C Bonds purchased with such moneys shall have been delivered to or for the account of such Person or Persons;

(b) to keep such books and records as shall be consistent with prudent industry practice and to make such books and records available for inspection by the Commission, the Trustee and the Tender Agent at all reasonable times; to determine (a) the Daily Rates, Weekly Rates, Monthly Rates, Short-Term Rates and Long-Term Rates, and (b) if engaged as Remarketing Agent in connection with the conversion to Fixed Rate Bonds, the Fixed Rate(s), and give notice of such rates in accordance with Section 2.3;

(c) to remarket Daily Rate Bonds, Weekly Rate Bonds and Monthly Rate Bonds at rates no higher than the Maximum Rate if an applicable Letter of Credit secures the 2011C Bonds, and to remarket Short-Term Rate Bonds and Long-Term Rate Bonds for Short-Term Periods or Long-Term Interest Rate Periods, as appropriate, ending not later than the 5th day next preceding the Expiration Date of the applicable Letter of Credit supporting payments of Purchase Price of such 2011C Bonds;

(d) to offer for sale and use its best efforts to find purchasers for the 2011C Bonds tendered for purchase, any such sale to be made at this Purchase Price to the purchase date, in accordance with the terms of this Supplemental Indenture No. 22;

(e) to deliver to the Tender Agent all 2011C Bonds held by it in accordance with the terms of this Supplemental Indenture No. 22 and the Remarketing Agreement; and

Notwithstanding the foregoing, a Remarketing Agent may be engaged for only certain types of Interest Rate Periods, and in that event the Remarketing Agent shall not be required to perform the duties of the Remarketing Agent for any other type of Interest Rate Period.

9.3 Co-Remarketing Agents.

One or more firms may serve as Co-Remarketing Agents for the 2011C Bonds hereunder provided that each Co-Remarketing Agent satisfies the requirements of Section 9.1. If Co-Remarketing Agents have been appointed and are performing the duties of Remarketing Agent hereunder, all references herein to the Remarketing Agent shall be deemed to refer to all the Remarketing Agents acting jointly; provided that the Remarketing Agreement may provide that one firm may perform certain specified duties hereunder in its sole capacity.

9.4 Resignation and Removal.

The Remarketing Agent may at any time resign and be discharged of the duties and obligations described in this Supplemental Indenture No. 22 by giving at least 30 days notice to the Commission, the Trustee, the Tender Agent, the Bank and all rating agencies then providing ratings for the 2011C Bonds. The Remarketing Agent may be removed at any time upon the Written Request of the Commission and upon written notice to the Remarketing Agent, the Tender Agent, the Trustee and the Bank; provided, however, that no such removal shall be or become effective unless and until a successor Remarketing Agent shall have been appointed and accepted such appointment in accordance with this Article 9.

9.5 Successor Remarketing Agent.

If and so long as no successor Remarketing Agent is appointed by the Commission after the office of Remarketing Agent becomes vacant, the Tender Agent or Trustee, at the expense of the Commission, may petition a court to appoint a successor Remarketing Agent.

9.6 Transactions.

The Remarketing Agent may in good faith hold the 2011C Bonds or any other form of indebtedness issued by the Commission; own, accept or negotiate any drafts, bills of exchange, acceptances or obligations thereof, and make disbursements therefor and enter into any commercial or business arrangement therewith; all without any liability on the part of the Remarketing Agent for any real or apparent conflict of interest by reason of any such actions.

9.7 Sale of Bonds by Remarketing Agent.

(a) Upon the receipt by the Remarketing Agent of (i) notice of optional tender of Daily Rate Bonds, Weekly Rate Bonds or Monthly Rate Bonds pursuant to Section 8.2, or (ii) notice of mandatory tender of Bonds pursuant to Section 8.4, the Remarketing Agent shall offer for sale and use its best efforts to solicit purchases of 2011C Bonds subject to purchase on the applicable Purchase Date at a price equal to the Purchase Price; and provided further that, prior to the Expiration Date, the Remarketing Agent shall not offer for sale or sell any 2011C Bonds to the Commission or any Affiliate.

(b) The Remarketing Agent shall direct that the proceeds of all purchases of 2011C Bonds solicited and arranged by the Remarketing Agent be paid to the Tender Agent (for deposit in the Remarketing Account of the Purchase Fund), at or prior to 11 a.m. on the applicable Purchase Date, in immediately available funds (and, promptly upon receipt thereof, the Tender Agent shall deposit such proceeds in the Remarketing Account of the Purchase Fund).

(c) At or prior to 4:30 p.m. on the Business Day next preceding each Purchase Date (at or prior to 10:30 a.m. on the Purchase Date with respect to 2011C Bonds bearing interest at a Daily Rate), the Remarketing Agent shall give notice by telephone (promptly confirmed by telecopy, telex, telegram or other communication device) to the Trustee, the Tender Agent, the Bank and the Commission specifying: (i) the aggregate principal amount and Purchase Price of 2011C Bonds subject to purchase on such Purchase Date for which the Remarketing Agent has received indications of interest from prospective purchasers, and (ii) the aggregate principal amount and Purchase Price of 2011C Bonds subject to purchase on such Purchase Date for which the Remarketing Agent has not received indications of interest from prospective purchasers.

The Remarketing Agent shall offer for sale and use its best efforts to arrange for the sale and remarketing of all Bank Bonds at a price equal to 100% of the principal amount thereof plus accrued and unpaid interest thereon (at the rate that would be borne by such Bank Bonds if such Bank Bonds were not Bank Bonds). In connection with each remarketing of Bank Bonds by the Remarketing Agent:

(i) The Tender Agent shall (A) provide to the Commission, the Bank, the Trustee and the Remarketing Agent not less than one Business Day prior notice of such

remarketing, and (B) pay, or cause to be paid to the Bank, by wire transfer of immediately available funds, the proceeds of such remarketing;

(ii) The Commission shall (A) in consultation with the Bank, calculate the amounts payable to the Bank pursuant to the applicable Letter of Credit by reason of, and on the date of such remarketing (such amounts being referred to as the "Remarketing Payment Amount"), and (B) pay to the Bank, or direct the Trustee to withdraw from the Debt Service Fund and pay to the Bank, in either case, on the date of such remarketing and by wire transfer of immediately available funds, an amount of money which, when added to the proceeds of such remarketing being delivered to the Bank on the date of such remarketing, equals the Remarketing Payment Amount;

(iii) The Tender Agent shall confirm with the Bank the receipt by the Bank of the Remarketing Payment Amount, the reinstatement of the applicable Letter of Credit in respect of such Bank Bonds and the authorization of the Bank to release such Bank Bonds; and

(iv) After, and only after, receipt by the Tender Agent of confirmation by the Bank of the reinstatement of the applicable Letter of Credit to cover such Bank Bonds following remarketing thereof and authorization by the Bank of such transfer or such authentication and delivery, the Tender Agent shall (A) while a book-entry system is in effect with respect to the 2011C Bonds, cause the ownership interest in such Bank Bonds to be transferred to or for the benefit of such purchaser or purchasers as are specified by the Remarketing Agent for such purpose, and (B) while a book-entry system is not in effect with the Securities Depository with respect to the 2011C Bonds, cause the Trustee to authenticate other 2011C Bonds in lieu of such Bank Bonds and to deliver the same to or upon the instruction of the Remarketing Agent.

The Remarketing Agent shall offer for sale and use its best efforts to arrange for the sale and remarketing of (i) all 2011C Bonds subject to purchase on a Purchase Date that are purchased with moneys provided by the Commission to the Tender Agent for such purpose (as described in Section 8.3(c)(ii)), and (ii) all 2011C Bonds that are purchased by the Commission pursuant to the applicable Letter of Credit and not surrendered by the Commission for cancellation.

ARTICLE 10 TRANSFER OF 2011C BONDS.

10.1 Purchase Transfers

(a) Upon application of the moneys described in Section 8.3(d)(i) to the purchase of 2011C Bonds on a Purchase Date pursuant to Section 8.3(d)(i) (and/or to the transfer thereof to the Undelivered Bond Payment Account on a Purchase Date pursuant to Section 8.3(e)), the Tender Agent shall cause the Trustee to register the transfer of 2011C Bonds purchased therewith in the names of the purchasers thereof in accordance with information provided by the Remarketing Agent for such purpose and to have such transferred 2011C Bonds available for delivery against payment therefor.

(b) Upon application of the moneys described in Section 8.3(d)(ii) to the purchase of 2011C Bonds on a Purchase Date pursuant to Section 8.3(d)(ii) (and/or to the transfer thereof to the Undelivered Bond Payment Account on a Purchase Date pursuant to Section 8.3(e)), (i) the 2011C Bonds purchased (or, in the case of such transfer, provided to be purchased) with such moneys shall constitute Bank Bonds (unless and until such 2011C Bonds cease to be Bank Bonds as described in the definition thereof), and (ii) if a book-entry system is in effect with the Securities Depository with respect to the 2011C Bonds, the ownership interest in such Bank Bonds shall be transferred on the books of the Securities Depository to or for the account of the Tender Agent or a Participant acting on behalf of the Tender Agent and the Tender Agent shall, and shall cause such Participant to, mark its own books and records to reflect the beneficial ownership of such Bank Bonds by the Bank, and (iii) if a book-entry system is not in effect with the Securities Depository with respect to the 2011C Bonds, such 2011C Bonds shall be delivered by the Tender Agent to the Trustee for registration of transfer and shall be registered by the Trustee in the name of the Bank, or any nominee of the Bank, and delivered by the Trustee to the Tender Agent and held by the Tender Agent as the custodian of the Bank. The Tender Agent shall release and redeliver or transfer Bank Bonds (being remarketed by the Remarketing Agent) as provided in Article 8. Any other disposition of Bank Bonds shall be made only at the written direction or with the prior written consent of the Bank.

(c) Upon the application of moneys described in Section 8.3(d)(ii) to the purchase of Bonds on a Purchase Date pursuant to Section 8.3(d)(ii) (and/or to the transfer thereof to the Undelivered Bond Payment Account on a Purchase Date pursuant to Section 8.3(e)), the 2011C Bonds purchased (or, in the case of such transfer, provided to be purchased) with such moneys shall be registered in the name of the Commission and shall, at the direction of the Commission, be delivered to the Trustee for cancellation (and canceled by the Trustee) or delivered to the Tender Agent for the account of the Commission and remarketed in accordance with Section 9.7.

Any 2011C Bonds canceled by the Trustee pursuant to this Section and any 2011C Bonds surrendered by the Commission to the Trustee for cancellation shall be allocated to the next succeeding scheduled mandatory redemption obligation pursuant to Section 7.1, then as a credit against such future scheduled mandatory redemption obligation pursuant to Section 7.3(b) as the Commission may specify in a Certificate of Commission Representative. Prior to the Expiration Date, the Trustee shall notify the Bank of the aggregate principal amount of 2011C Bonds so canceled and shall submit to the Bank such documents, if any, as are required in accordance with the terms of the applicable Letter of Credit to cause the amounts available under the applicable Letter of Credit to be reduced in respect of such 2011C Bonds so canceled.

ARTICLE 11 LETTER OF CREDIT.

10.2 Letter of Credit Requests

(a) The Trustee shall make Letter of Credit Requests in accordance with Section 8.3(c). The Commission shall not terminate or reduce the amounts available under the applicable Letter of Credit except by reason of the redemption, cancellation and/or defeasance of 2011C Bonds.

(b) The Commission shall maintain an applicable Letter of Credit in effect in accordance with Section 11.2 at all times it is required to do so.

(c) The Commission may furnish a Substitute Letter of Credit in substitution for the then existing applicable Letter of Credit upon satisfaction of the conditions set forth in Section 11.2. The Trustee shall give notice to the Owners of the 2011C Bonds (at their addresses as they appear on the registration books of the Trustee as of the date of such notice), by first-class mail, or sent by electronic means via the MSRB EMMA system of the proposed substitution of a Substitute Letter of Credit for the applicable Letter of Credit then in effect and the related Substitution Date (stating the issuer or issuers and the term of such Substitute Letter of Credit) at least 10 days prior to such Substitution Date. Such notice shall also constitute the notice of mandatory tender of the 2011C Bonds on the related Substitution Date; provided, however, that in addition to the information required by Section 8.4(d), such notice shall state that such mandatory tender of the 2011C Bonds will not occur if, on or prior to the proposed Substitution Date, the Tender Agent does not receive such Substitute Letter of Credit, together with the supporting substitution documents, in which event such Substitute Letter of Credit shall be deemed cancelled. If, by reason of the conditions to such mandatory tender of the 2011C Bonds (as stated in such notice), there is no mandatory tender of the 2011C Bonds on the proposed Substitution Date, (i) the Tender Agent shall so notify the Trustee, (ii) the Trustee shall so notify the Owners of the 2011C Bonds (at their addresses as they appear on the registration books of the Trustee as of the date of such notice) by first-class mail, or sent by electronic means via the MSRB EMMA system, and (iii) the Tender Agent shall return to their Owners any 2011C Bonds tendered to the Tender Agent in connection with such mandatory tender of the 2011C Bonds. No Letter of Credit is required in the case of 2011C Bonds in the Indexed Floating Rate Period, the Long Term Interest Period or the Fixed Rate Period.

10.3 Letter of Credit; Substitute Letter of Credit.

(a) During any time that 2011C Bonds of a Series are Daily Rate Bonds, Weekly Rate Bonds, Monthly Rate Bonds or Short-Term Rate Bonds, the Commission shall maintain a Letter of Credit with respect to such Series issued by a Qualified Financial Institution or the Commission may deliver a Substitute Letter of Credit, in an amount equal to the aggregate principal amount of all Outstanding 2011C Bonds of such Series, plus an amount equal to at least fifty two days interest (52 days interest if the 2011C Bonds are Short-Term Rate Bonds) on all 2011C Bonds of such Series Outstanding at a rate of 12%. The Commission will not voluntarily terminate the applicable Letter of Credit while 2011C Bonds of such Series are Daily Rate Bonds, Weekly Rate Bonds, Monthly Rate Bonds or Short-Term Rate Bonds without at least 60 days prior written notice to the Trustee and without providing for a Substitute Letter of Credit prior to the effective date of such termination. A Letter of Credit shall not be surrendered and shall not terminate until the applicable tender draw is honored by the provider of the Letter of Credit on the mandatory tender on the Substitution Date.

(b) Subject to any restrictions contained in an applicable Letter of Credit, at any time the Commission may furnish a Substitute Letter of Credit in substitution for an existing applicable Letter of Credit subject to the following limitations and the other limitations set forth in this Section:

(i) The Substitute Letter of Credit must be provided by a Qualified Financial Institution or the Commission.

(ii) The principal amount of the Substitute Letter of Credit must be not less than that required hereunder and the terms of the Substitute Letter of Credit regarding the purchase, holding and sale of 2011C Bonds of the applicable Series thereunder must be in all material respects the same as those of the existing applicable Letter of Credit.

(iii) The bank or financial institution providing the Substitute Letter of Credit and the form and content of the Substitute Letter of Credit must be acceptable to the Remarketing Agent which consent shall not be unreasonably withheld.

(iv) On or prior to the effective date of an applicable Letter of Credit, the Commission shall furnish to the Trustee:

(A) an Opinion of Counsel acceptable to the Trustee to the effect that the applicable Letter of Credit has been duly authorized, executed and delivered by the Bank and is a valid and binding obligation of the Bank enforceable in accordance with its terms (subject as to enforceability to standard exceptions respecting bankruptcy, insolvency and similar laws and principles of equity) and that the exemption of the 2011C Bonds of the applicable Series (or any securities evidenced thereby) from the registration requirements of the Securities Act of 1933, as amended, and the exemption of this Supplemental Indenture No. 22 from qualification under the Trust Indenture Act of 1939, as amended, shall not be impaired by such Substitute Letter of Credit or that the applicable Letter of Credit registration or qualification requirements of such acts have been satisfied, and

(B) a Favorable Opinion of Bond Counsel.

(C) Evidence of ratings by the Rating Agency.

(v) The Commission shall give written notice to the Trustee, the Tender Agent, the Bank, the Remarketing Agent and each rating service then maintaining a rating on the 2011C Bonds, not less than 30 days prior to the effective date of any replacement of an applicable Letter of Credit with a Substitute Letter of Credit and not less than 30 days prior to the Expiration Date of an applicable Letter of Credit then in effect, specifying that the Commission intends to replace the applicable Letter of Credit with a Substitute Letter of Credit on or before the Expiration Date of the applicable Letter of Credit then in effect. Upon receipt of such notice, the Trustee shall promptly mail a notice of the anticipated delivery of the Substitute Letter of Credit by first-class mail to the Remarketing Agent. A draft of each Substitute Letter of Credit and appropriate information concerning the issuer of the Substitute Letter of Credit shall be submitted by the Commission to each rating service then maintaining a rating on the 2011C Bonds of the applicable Series.

(vi) The Commission shall cause to be delivered to the Bond Trustee not less than 30 days prior to the Expiration Date of an existing Letter of Credit (A) a

commitment by the Bank that will issue the Substitute Letter of Credit, and (B) written notice from each rating service that has notified the Trustee in writing that has established a rating on the 2011C Bonds of the applicable Series stating whether the substitution of the Substitute Letter of Credit will result in a reduction or withdrawal of its long-term rating or short-term rating then in effect on the 2011C Bonds of the applicable Series. The 2011C Bonds of the applicable Series shall be subject to mandatory tender as provided herein upon substitution of an existing Letter of Credit.

(c) The Commission shall exercise its best efforts to arrange for the delivery to the Trustee of a Substitute Letter of Credit to replace any Letter of Credit then in effect at or before the expiration thereof prior to the end of any then current Interest Rate Period or upon the occurrence of any of the following events or circumstances.

(i) If the Bank has rescinded, terminated or repudiated the Letter of Credit, or the Bank or any governmental agency with jurisdiction over the Letter of Credit is challenging the validity of the Letter of Credit or if the Bank is in default under the applicable Letter of Credit.

(ii) If the Bank refuses to extend the Expiration Date with respect to the current Letter of Credit then in effect, but the term of such Substitute Letter of Credit need not (but may) begin prior to the Expiration Date of the current Letter of Credit then in effect. The Commission shall not terminate the current Letter of Credit until the term of the Substitute Letter of Credit has begun.

(iii) Receipt by the Trustee of written notice from the Bank that an "event of default" or an "event of termination" as defined in the Letter of Credit has occurred and is continuing under the Letter of Credit.

(iv) Failure of the Bank to honor its obligation under the Letter of Credit to purchase 2011C Bonds of the applicable Series.

(d) The Commission may provide its own undertaking agreement if the Commission has agreed to pay the Purchase Price of any tendered 2011C Bonds itself. As a result, any references herein to "the Bank" or to "the Letter of Credit" (or similar term) shall be ignored or shall be construed as referencing the Commission for as long as the Commission has agreed to pay the Purchase Price of any tendered 2011C Bonds itself. References to a "draw" or "drawing" (or a similar term) on the Letter of Credit, for example, shall be construed in the absence of a Letter of Credit to be a notice to the Commission of the need to provide funds for the purchase of 2011C Bonds of the applicable Series. If the Commission provides its own Letter of Credit, then the Bonds are subject to mandatory tender under the same terms as that of providing a Substitute Letter of Credit herein. In the circumstances described in this subparagraph (g), the Commission may also contract with another party to provide a liquidity facility which would be available to provide payment in conjunction with the Commission providing funds for the purchase of 2011C Bonds of the applicable Series; in such case, the Commission shall instruct the Trustee to discuss simultaneously on both such liquidity facility provider and the Commission, and the Commission will coordinate payment from either the liquidity facility provider or the Commission.

10.4 Waiver of Bank Defaults.

If an event of default under the applicable Letter of Credit has been caused by the Bank, the Trustee shall obtain from the Bank written notice of full reinstatement of the Letter of Credit and rescission of the notice of non-reinstatement as a condition to waiving any such event of default.

10.5 Other Notice.

This Bond is one of a duly authorized issue of bonds of the Commission designated "Pennsylvania Turnpike Commission Turnpike Multi-Modal Revenue Bonds, Series C-1 of 2011" (the "Bonds"), issued in the aggregate principal amount of \$232,775,000 under and pursuant to an Act of the General Assembly of the Commonwealth of Pennsylvania approved July 18, 2007, P.L. 169, No. 44 ("Act 44") and various Act of the General Assembly approved on several dates, including the Act of May 21, 1937, P.L. 774, Act 211; the Act of May 24, 1945, P.L. 972; the Act of February 26, 1947, P.L. 17; the Act of May 23, 1951, P.L. 335; the Act of August 14, 1951, P.L. 1232; and the Act of September 30, 1985, P.L. 240, No. 61 ("Act 61") to the extent not repealed by Act 44. (Collectively, the "Enabling Acts"), under and pursuant to resolutions of the Commission and under and pursuant to the Indenture, for the purpose of financing a project (the "Project") consisting of (i) the current refunding of certain prior bonds of the Commission and (ii) paying the costs of issuance of the Bonds. An executed counterpart of the Supplemental Indenture No. 22 is on file at the office of the Commission and at the designated corporate trust offices of the Trustee and the Paying Agent. Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of

the proceeds of the Bonds, the collection and disposition of the Revenues, the funds charged with and pledged to the payment of the interest on, the principal of and the premium, if any, on the Bonds, the nature and extent of the security, the terms and conditions on which the Bonds are issued, the rights, duties and obligations of the Commission and the Trustee and the rights of the owners of the Bonds. By the acceptance of this Bond, the Registered Owner and, if a book-entry system is being used for the Bonds, any participant in the owner and any person claiming a beneficial interest under or through such owner or participant assents to all of the provisions of the Indenture.

Whenever the due date for payment of interest or principal of the Bonds (as hereinabove defined) or the date fixed for redemption of any Bond shall be a Saturday, a Sunday, a legal holiday or a day on which the Trustee or the Paying Agent is authorized by law to close, then payment of such interest, principal or redemption price need not be made on such date, but may be made on the next succeeding day which is not a Saturday, a Sunday, a legal holiday, or a day on which the Trustee or the Paying Agent is authorized by law to close, with the same force and effect as if made on the due date for payment of principal, interest or redemption price, and no interest shall accrue thereon for any period after such due date. Principal of, premium, if any, and interest on this Bond are payable only from moneys deposited or to be deposited under the Indenture, in such coin or currency of the United States of America as at the time and place of payment is legal tender for payment of public and private debts.

The Indenture provides for the issuance, under the conditions, limitations and restrictions therein set forth, of Additional Bonds and Subordinated Indebtedness (each as described in the Indenture) for the purposes set forth therein.

The Bonds are equally and ratably secured by a pledge by the Commission of the Trust Estate (as defined in the Indenture), including the Revenues (as defined in the Indenture), which term currently includes, among other things, solely tolls from the Turnpike System's Main Line and the Northeast Extension and any other roads for which the Commission has operational responsibilities and is collecting tolls, but shall not include tolls from such other roads (other than the Main Line and the Northeast Extension) as are designated by the Commission as not being part of the Turnpike System for purposes of the Indenture. Interest on the Bonds shall be payable in arrears on each Interest Payment Date, commencing on the first Interest Payment Date after the date of original issuance of the Bonds. The amount of interest payable with respect to any Bonds on any Interest Payment Date shall be computed (1) during Indexed Floating Rate Periods, Daily Interest Periods, Weekly Interest Periods, Monthly Interest Periods or Short-Term Interest Periods, on the basis of a 365- or 366-day year for the number of days actually elapsed, based on the calendar year in which the Daily Interest Period, Weekly Interest Period,

Monthly Interest Period or Short-Term Interest Period ends, and (2) during a Fixed Rate Period and a Long-Term Rate Period, on the basis of a 360-day year of twelve 30-day months.

Tender for Purchase. While the bonds bear interest at Daily Rates, Weekly Rates or Monthly Rates, the Owners thereof, at their option, may also tender their Bonds for purchase as provided in the Supplemental Indenture No. 22.

Redemption. Optional Redemption. The Bonds are subject to optional redemption prior to their stated maturity as provided in the Indenture.

In the case of an optional redemption, the notice may state (1) that it is conditioned upon the deposit of moneys, in an amount equal to the amount necessary to effect the redemption, with the Trustee no later than the redemption date or (2) that the Commission retains the right to rescind such notice at any time prior to the scheduled redemption date if the Commission delivers a certificate of a Commission Representative to the Trustee instructing the Trustee to rescind the redemption notice (in either case, a "Conditional Redemption"), and such notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded as described below.

Mandatory Sinking Fund Redemption. The Bonds shall be subject to mandatory sinking fund redemption prior to maturity by the Commission in part on December 1 (or if December 1 is not a Business Day, the next Business Day) of the respective years and in the amount set forth below, at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the redemption date:

Interest on Short-Term Rate Bonds shall be paid only upon presentation and surrender of those Bonds. Interest on any Bank Bond that ceases to be a Bank Bond during an interest period shall be paid to the Person who is the Owner at the close of business on the Regular Record Date at the rate borne by Bonds other than Bank Bonds.

The Bonds are not secured by a debt service reserve fund.

THE BONDS ARE OBLIGATIONS OF THE COMMISSION AND SHALL NOT BE DEEMED TO BE DEBT OF THE COMMONWEALTH. THE BONDS SHALL BE PAYABLE SOLELY FROM THE REVENUES (AS DEFINED IN THE INDENTURE) OF THE COMMISSION FOR THAT PURPOSE. THE FAITH AND CREDIT OF THE COMMONWEALTH ARE NOT PLEDGED TO THE PAYMENT OF THE PRINCIPAL, REDEMPTION PRICE OR PURCHASE PRICE HEREOF OR THE INTEREST HEREOF, AND THE COMMONWEALTH IS NOT DIRECTLY OR INDIRECTLY OR CONTINGENTLY OBLIGATED TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR, OR TO MAKE ANY APPROPRIATION FOR PAYMENT OF THE BONDS.

This Bond is one of a duly authorized issue of bonds of the Commission designated "Pennsylvania Turnpike Commission Turnpike Multi-Modal Revenue Bonds, Series C-2 of 2011" (the "Bonds"), issued in the aggregate principal amount of \$65,555,000 under and pursuant to an Act of the General Assembly of the Commonwealth of Pennsylvania approved July 18, 2007, P.L. 169, No. 44 ("Act 44") and various Act of the General Assembly approved on several dates, including the Act of May 21, 1937, P.L. 774, Act 211; the Act of May 24, 1945, P.L. 972; the Act of February 26, 1947, P.L. 17; the Act of May 23, 1951, P.L. 335; the Act of August 14, 1951, P.L. 1232; and the Act of September 30, 1985, P.L. 240, No. 61 ("Act 61") to the extent not repealed by Act 44. (Collectively, the "Enabling Acts"), under and pursuant to resolutions of the Commission and under and pursuant to the Indenture, for the purpose, of financing a project (the "Project") consisting of (i) the current refunding of certain prior bonds of the Commission and (ii) paying the costs of issuance of the Bonds. An executed counterpart of the Supplemental Indenture No. 22 is on file at the office of the Commission and at the designated corporate trust offices of the Trustee and the Paying Agent. Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of the Bonds, the collection and disposition of the Revenues, the funds charged with and pledged to the payment of the interest on, the principal of and the premium, if any, on the Bonds, the nature and extent of the security, the terms and conditions on which the Bonds are issued, the rights, duties and obligations of the Commission and the Trustee and the rights of the owners of the Bonds. By the acceptance of this Bond, the Registered Owner and, if a book-entry system is being used for the Bonds, any participant in the owner and any person claiming a beneficial interest under or through such owner or participant assents to all of the provisions of the Indenture.

Whenever the due date for payment of interest or principal of the Bonds (as hereinabove defined) or the date fixed for redemption of any Bond shall be a Saturday, a Sunday, a legal holiday or a day on which the Trustee or the Paying Agent is authorized by law to close, then payment of such interest, principal or redemption price need not be made on such date, but may be made on the next succeeding day which is not a Saturday, a Sunday, a legal holiday, or a day on which the Trustee or the Paying Agent is authorized by law to close, with the same force and effect as if made on the due date for payment of principal, interest or redemption price, and no interest shall accrue thereon for any period after such due date. Principal of, premium, if any, and interest on this Bond are payable only from moneys deposited or to be deposited under the Indenture, in such coin or currency of the United States of America as at the time and place of payment is legal tender for payment of public and private debts.

The Indenture provides for the issuance, under the conditions, limitations and restrictions therein set forth, of Additional Bonds and Subordinated Indebtedness (each as described in the Indenture) for the purposes set forth therein.

The Bonds are equally and ratably secured by a pledge by the Commission of the Trust Estate (as defined in the Indenture), including the Revenues (as defined in the Indenture), which term currently includes, among other things, solely tolls from the Turnpike System's Main Line and the Northeast Extension and any other roads for which the Commission has operational responsibilities and is collecting tolls, but shall not include tolls from such other roads (other than the Main Line and the Northeast Extension) as are designated by the Commission as not being part of the Turnpike System for purposes of the Indenture. Any Additional Bonds issued under the Indenture will be equally and ratably secured under the Indenture with the Bonds and all other Bonds issued and outstanding under the Indenture.

Interest Rates. The Bonds shall bear interest at an indexed Floating Rate, a Daily Rate, Weekly Rate, Monthly Rate, Short-Term Rate, Long-Term Rate or Fixed Rate, determined as provided in the Indenture, from and including their date or from and including the most recent Interest Payment Date to which interest has been paid or duly provided for; provided that in no event will the interest rate on any Bonds exceed the Maximum Rate. Interest on the Bonds shall be payable in arrears on each Interest Payment Date, commencing on the first Interest Payment Date after the date of original issuance of the Bonds. The amount of interest payable with respect to any Bonds on any Interest Payment Date shall be computed (1) during Indexed Floating Rate Periods, Daily Interest Periods, Weekly Interest Periods, Monthly Interest Periods or Short-Term Interest Periods, on the basis of a 365- or 366-day year for the number of days actually elapsed, based on the calendar year in which the Daily Interest Period, Weekly Interest Period, Monthly Interest Period or Short-Term Interest Period ends, and (2) during a Fixed Rate Period and a Long-Term Rate Period, on the basis of a 360-day year of twelve 30-day months.

Tender for Purchase. While the bonds bear interest at Daily Rates, Weekly Rates or Monthly Rates, the Owners thereof, at their option, may also tender their Bonds for purchase as provided in the Supplemental Indenture No. 22.

Redemption. Optional Redemption. The Bonds are subject to optional redemption prior to their stated maturity as provided in the Indenture.

In the case of an optional redemption, the notice may state (1) that it is conditioned upon the deposit of moneys, in an amount equal to the amount necessary to effect the redemption, with the Trustee no later than the redemption date or (2) that the Commission retains the right to rescind such notice at any time prior to the scheduled redemption date if the Commission delivers a certificate of a Commission Representative to the Trustee instructing the Trustee to rescind the redemption notice (in either case, a "Conditional Redemption"), and such notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded as described below.

Mandatory Sinking Fund Redemption. The Bonds shall be subject to mandatory sinking fund redemption prior to maturity by the Commission in part on December 1 (or if December 1 is not a Business Day, the next Business Day) of the respective years and in the amount set forth below, at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the redemption date:

Any Conditional Redemption may be rescinded in whole or in part at any time prior to the redemption date if the Commission delivers a certificate of a Commission Official to the Trustee instructing the Trustee to rescind the redemption notice. The Trustee shall give prompt notice of such rescission to the affected Bondholders. Any Bonds subject to Conditional Redemption where redemption has been rescinded shall remain Outstanding, and the rescission shall not constitute an Event of Default. Further, in the case of a Conditional Redemption, the failure of the Commission to make funds available in part or in whole on or before the redemption date shall not constitute an Event of Default.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Upon the occurrence of an event of default, and on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all Bonds then outstanding under the Indenture may become or may be declared due and payable before the stated maturities thereof, together with the interest accrued thereon.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made by the Commission and the Trustee only to the extent and in the circumstances permitted by the Indenture.

All acts, conditions and things required by the constitution and statutes of the Commonwealth and the rules and regulations of the Commission to happen, exist and be performed precedent to and in the issuance of this Bond and the execution of the Indenture have happened, exist and have been performed as so required.
